A WELL FURNISHED KITCHEN MAKES HOUSEWORK A PLEASURE

How About Your Kitchen? Is your wife trying to get along with an old worn-out stove—one that smokes, that burns everything put into the oven, or only half-cooks the food. Is she walking several miles a day because the kitchen is poorly arranged, when a Kitchen Cabinet would put everything at her finger tips? Is she scrubbing at a soft-wood floor, when Linoleum can be wiped clean in a few seconds. Think it over.

CHARTER OAK and UNIVERSAL RANGES

These ranges have been standards of quality for several generations. Everyone is fully guaranteed to give absolute satisfaction. Polished tops that require no blacking, sanitary leg bases that set the range up to the proper height, roomy ovens, plain nickel trimmings—these are only a few of the features that make them desirable.

Priced from \$35.00 to \$87.50

Prices Range from \$29.85 to \$49.50
