

FINAL ORDERS ARE COMPLETED

VOTING PRECINCTS AND JUDGES
FOR C. O. I. ELECTION ON DE-
CEMBER 17 ARE PICKED BY
COUNTY COURT.

(From Thursday's Daily.)

Final orders in regard to the elec-
tion to be held December 17 for the
C. O. I. irrigation district settlers
granted yesterday by the county court
have been completed. Three direc-
tors placed in nomination by a peti-
tion of the settlers will be elected at
tion of the settlers will be elected at
large from the district. The names
of those on the ballot must be in not
later than December 7. The county
clerk and county treasurer will act
as ex-officio officers of the district.

Voting precincts have been selected
as follows: Terrebonne, Harvey
Gates home, with W. F. Mackey and
C. A. Douglas as judges; Redmond,
the Redmond homestead, J. O. Skir-
ving and M. E. Landress, judges; Al-
falfa, school house, C. H. Hardy and
Curt Muller, judges; Deschutes,
school house, Rasmus Peterson and

County Surveyor George S. Young
has stated that there seems to be
misunderstanding among certain
ranchers as to just what the bound-
aries given in the petition for the
district mean. They merely describe
the property which is omitted from
it. All lands within the bounds and
not specifically mentioned in the pe-
tition are included. All of these are
under contract or have water rights.

MAZOLA

BUTTER, lard and suet have been used for years for deep frying,
sauteing or shortening—because the housewife could find
nothing better. Today the Food Administrator asks her to
use vegetable oils.

And Mazola, the pure oil from corn holds first place among
vegetable oils. It is the ideal medium for sauteing, deep frying,
shortening and salad dressings from every standpoint.

Mazola reaches cooking heat long before it smokes—cooks food
more quickly and at the same time more thoroughly. This does
away with that soggy and greasiness so prevalent with the old
cooking mediums.

And Mazola can be used over and over again because it does not
transmit taste or odor from one food to another!

That is what makes it so wonderfully economical.

Get a can of Mazola from your grocer today. Sold in pint, quart,
half-gallon and gallon tins—the large sizes give greatest economy.
Also ask for the free Mazola Book of Recipes or write us direct.

Your money refunded if Mazola does not give entire satisfaction
