You Did Not Expect a Sale of GOSSARD CORSETS This Season

Nor did we, for the steadily advancing price of all merchandise made it seem improbable that Gossard Corsets, in which the highest standard of manufacture must all times be maintained, could be offered at sale prices. Happily, an unusual market condition has made it possible for us to obtain some Gossards that we are offering at the following remarkable prices:

- \$8.50 Corsets
- \$6.33 Gossards
- \$5.00 Gossards
- \$3.50 Gossards
- \$3.50 Gossards
- \$2.67 Gossards
- \$2.50 Gossards
- \$1.87 Gossards

Our discriminating clientele will appreciate these unprecedented values—the world-famed Gossards correctly interpreting the new silhouette of the mode, insuring your health, and offering a wearing service that alone is worth any price you may pay—these incomparable corsets offered at practically the manufacturing cost.
We cannot too strongly emphasize this unusual opportunity. The stock is necessarily limited, and we therefore suggest an early inspection—today, if possible.
