

The first check sent by The Bulletin to the American Tobacco Company covering subscriptions to The Bulletin tobacco fund for our soldiers in France. The second check was twice this amount and the third larger than the second. Send in your subscription now to make the next one the largest yet.

## PRaise GIVEN BY RED CROSS

HEADS OF NORTHWEST CAMPAIGN WRITE H. A. MILLER, IN APPRECIATION OF WORK—SUBSCRIPTIONS STILL COME.

(From Friday's Daily.)  
Winding up the Red Cross membership drive come letters full of praise for the work done in this county in securing subscriptions. Manager H. A. Miller is still collecting contributions and is not yet ready to give out a list of those who have taken out memberships.

On December 27, C. H. Clow, of La Pine, who had charge of the work there, sent Mr. Miller the following letter: "Please find enclosed \$50 to cover 50 memberships in the Red Cross. I still have 12 blanks left but am bound to dispose of them if I have to take them myself." The town took 100 subscriptions, making an excellent record for such a small community, according to Mr. Miller.

In thanking the county committees for their services, the head workers in the northwest have sent Mr. Miller a letter, which reads:

"Dear Mr. Miller: Your campaign workers braved the weather and went from house to house and farm to farm, canvassing for Red Cross memberships. There was no hardship they were not willing to undergo. The distressing shortage of buttons and other supplies embarrassed them, but they went ahead with lofty courage. They were animated by love of our country, affection for our soldier boys and a desire to be of actual service in relieving the suffering caused by frightful war; also they were determined Deschutes county should do its full share in the enrollment of members in response to the appeal of President Wilson, asking every man and woman to join the Red Cross.

"The results in Deschutes county speak for themselves. To your heroic workers belongs the credit. It was individual work like this all over our state that won again for Oregon the proud distinction of being among the foremost states of our union in patriotic achievement.

"No more letter of thanks can convey to your workers anything like the credit that is their due. Their devotion demonstrated that they were not striving for personal credit. Their rich reward is in the consciousness of sacrifice made and duty done, but in behalf of the Northwestern Division Campaign Committee, will you kindly convey to each and all of them, through any channel that may be available, the deep sense of appreciation felt at Division and State Headquarters for their devoted services. Yours gratefully,

HARVEY LINDLEY, Chairman Northwestern Division Campaign Committee.

C. C. CHAPMAN, HENRY E. REED, Members for Oregon."

### BANK APPOINTED AGENT.

(From Saturday's Daily.)  
The First National Bank has been appointed as an agent for the sale of war savings stamps and thrift certificates, according to a message received from Secretary of the Treasury McAdoo. Besides having these "baby bonds" for sale the bank offers without charge its tax service department to its customers and friends.

Was Feeling All Run Down.  
Louis Busker, Somerset, Va., writes: "I was feeling all run down; tired, with pains in my back. After taking Foley Kidney Pills I felt like a new man." Backache, rheumatic pains, stiff joints, sore muscles, swollen ankles, and sleep-disturbing bladder ailments yield quickly to this time-tried remedy. Sold everywhere.—Adv.

## CENTRAL OREGON IS REPRESENTED

IRRIGATION CONGRESS PICKS THREE MEN FROM THIS SECTION TO HOLD OFFICE DURING COMING YEAR.

PORTLAND, Jan. 7.—Officers elected at the final session of the Oregon Irrigation Congress in Portland Saturday include three Central Oregon men. Jay H. Upton, of Prineville, was chosen president; H. W. Gard, of Madras, first vice-president, and Fred N. Wallace, of Tumalo, secretary. Both of the latter were re-elected. D. D. Joslyn, of Jordan Valley, second vice-president, and Porter J. Neff, of Medford, third vice-president, are also on the list of new officers.

Resolutions declaring it to be the sense of the convention that the value of all permanent improvements, together with an estimate of the value of water and water rights owned or to be acquired, should be taken into consideration by the state commission in arriving at the values behind irrigation bonds to be certified, were adopted by the Oregon Irrigation Congress by unanimous vote at the last meeting.

The resolutions as presented were strongly defended by J. T. Hinkle, president of the congress; J. H. Upton, Fred F. Oelscher, H. W. Gard, C. L. (Farmer) Smith, J. P. Newell and M. J. Lee. They were unanimously agreed that the available water to an irrigation project, whether or not it was owned or was to be acquired, was a material element that should be taken into consideration by the state authorities in placing a valuation on the project and which should form the basis for determining the amount of bonds that would be certified.

### Co-operation Is Desired.

Other resolutions were adopted urging the co-operation with the irrigationists of those in government authority in all efforts to bring water upon arid lands, petitioning the General Land Office to arrange for the immediate opening to settlement and development of irrigable lands included within the Oregon & California land grant in Southern Oregon, agreeing to meet annually in joint session with the Oregon Drainage Association, commending the work of the Desert Land Board in continuing the correction of defects in the Tumalo project, and deploring the circulation of unfounded criticism concerning any irrigation project now constructed or under contemplation.

Several other resolutions prepared for the joint consideration of the Irrigation Congress and the Drainage Association were also acted upon favorably. Principal among these was one requesting that the federal government "in its control of transportation facilities give priority to shipments of materials needed in construction of irrigation and drainage projects, in order that the demands of the President of the United States for increased food production may be fully complied with."—Oregonian.

### LIBRARY DISCUSSED.

The needs of the Bend Public Library were discussed at the Methodist church last night as one of the series of discussions arranged by Pastor Stewart, covering the needs of the city. Mrs. E. M. Thompson gave a history of the library. F. Thordarson spoke on the relation of the library and the schools, and R. W. Sawyer discussed the library and the newspaper. The discussion was closed by Mr. Stewart with a short talk on the library as a community factor.

Four chairs at your service at the Metropolitan. No waiting.—Adv.

## TROPHY OFFERED FOR BASKETBALL

INTER-CLASS GAMES AT HIGH SCHOOL TO BEGIN SOON—PRACTICE STARTS TODAY—TWO SCHEDULES READY.

(From Thursday's Daily.)

For the purpose of getting all of the high school boys interested in basketball, an inter-class tournament will soon be put under way. As a trophy, Carl Johnson has offered a silver cup, on which the name of the winning class will be engraved. Any class holding the cup three successive seasons will be given permanent possession. Each team will play each of the others twice, the one with the highest percentage at the end of the tournament being declared the winner.

F. S. Francis is coaching the boys. Practice began this afternoon at the Hippodrome. These class games may be opened to the public later on.

No regular school team has been picked yet. The prospects are brighter this year, as some of the old members are still in school and the freshmen are a promising bunch. Lester Sanders and Arthur Norcott will probably be forwards, Bert Tardie and Gerald McGuire both have a show at center, and Ed. Brosterhouse and Calvin Smith line up well as guards. However, new material will be given a chance to make good and earn places on the team. Last year Bend won everything at home and lost all games played out of town. Arthur Norcott is managing the team this season. The captain has not yet been elected.

The following are the two schedules. The interscholastic one was made up at the recent faculty athletic meeting:

### Inter-Class Schedule.

- January 22—Sophomores vs Freshmen; Juniors vs Seniors.
- January 29—Sophomores vs Juniors; Freshmen vs Seniors.
- February 5—Sophomores vs Seniors; Juniors vs Freshmen.
- February 12—Sophomores vs Freshmen; Juniors vs Seniors.
- February 19—Sophomores vs Juniors; Freshmen vs Seniors.

lors; Freshmen vs Seniors.  
February 26—Sophomores vs Seniors; Freshmen vs Juniors.

### Interscholastic Schedule.

- January 18—Redmond at Bend; Madras at Prineville.
- January 25—Prineville at Redmond; Madras at Bend.
- February 1—Bend at Prineville; Redmond at Madras.
- February 8—Bend at Redmond; Prineville at Madras.
- February 15—Redmond at Prineville; Bend at Madras.
- February 22—Prineville at Bend; Madras at Redmond.

## TRAVELING LIBRARY IS SENT TO BEND

(From Friday's Daily.)

The Oregon State Library has just sent to Bend a traveling library. This is one of the sections of the state's free libraries, and contains interesting books on history, travel, agriculture, cooking and similar subjects, and fiction for grown up people and children. The books will remain here six months.

The list includes: Arabian Nights; Barclay, "Mistress of Shenstone"; Beard and Beard, "Little Folks' Handy Book"; Brown, "Lonesome Doll"; Browne, "Spain, (Peeps at Many Lands)"; Buffington and others, "Circus Book for Children"; Burnham, "Dr. Latimer"; Catherwood, "Rocky Fork"; Chatterton, "Romance of the Ship"; Clemens, (Twain), "Puddinghead Wilson"; Collins, "Man and Wife"; Curtis, "Anne Nelson"; Cutting, "The Unforeseen"; Davenport, "My Quest of the Arab Horse"; Day, "The Ramrodders"; Doane, "Insects and Disease"; Doubleday (Blanchard), "Nature's Garden"; Doyle, "Micha Clarke"; Duncan, "Billy Topsall and Company"; Dunne, (Dooley), "Mr. Dooley Says"; Foe, "A Woman's Impressions of the Philippines"; Field, Poems; "Foght, "American Rural School"; Gilmore, "Maida's Little Shop"; Gould, "Felicita Visits"; Gould, "Felicita's Friends"; Hatten & Plate, "Magician's Tricks and How They Are Done"; Hill, "On the Trail of Washington"; Hitchcock, ed., "Decisive Battles of America"; Howden, "Boys' Book of Railways"; Johnston, "Famous Scouts"; Kipling, "Captains Courageous"; Lansing, ed., "Tales of Old England in Prose and Verse"; McDonald (Blaisdell) & Dairyman, "Una San in Japan"; Marti, "T. Hie,

# MAXWELL

Most Miles per Gallon—Most Miles on tires

When Business Needs You Most,  
—Conserve Your Energy

When success means straining nerve force to the utmost

—when minutes given to your affairs are precious

—when your strength is the driving force of your store or factory or farm

—then you must have a motor car.

A motor car saves valuable time—saves your vitality—during business hours.

And—after business hours—provides recreation and vigor—giving outdoor enjoyment that helps you in the daily battle.

The economy, durability, and mechanical perfection of the standardized Maxwell car have been proved so conclusively they are now accepted facts.

The Maxwell is the car without a peer for the man who is working under full steam.

## NOT TO INCREASE PASSENGER FARES

(From Thursday's Daily.)  
Reports to the effect that passenger fares on the roads running into Bend would be increased 50 per cent soon have been denied by railroad men familiar with the local lines. J. T. Hardy, of the Oregon Trunk, before going to Portland, stated that there was no truth in the report. Whether or not the service would be impaired by war-time changes, Mr. Hardy was unable to state.

No Want too Big--No Want too Small  
That Baker's Grocery can't fill for you

And deliver promptly and in the best condition. Our groceries, produce, fruit are always fresh. Our sanitary refrigerator counter keeps our dairy products cool and fresh. Best prices in canned goods of the best brands.

# MAZOLA

for the best results in deep frying, sautéing, shortening and salad dressings.

MAZOLA is the pure, delicious oil produced from American corn which enables the housewife to serve the best of food—and at the same time save the country's butter, lard, suet, in accordance with the plan of Food Administrator Hoover.

Mazola reaches cooking heat long before it smokes, prevents fried foods from becoming greasy, makes them more digestible and is more economical than the old cooking mediums.

Mazola does not transmit taste or odor from one food to another—can be used over and over again.

It comes in pint, quart, half-gallon and gallon tins—for greatest economy buy in the large sizes. Ask your grocer for a copy of the free Mazola Book of Recipes—or write us direct.

Your money refunded if Mazola does not give entire satisfaction.
