PIE SUPPER BRINGS MONEY FOR LIBRARY

Entertainment at Lower Bridge Well Patronized—Varied Program Given

LOWER BRIDGE, Mar. 13.—The pie supper at the Lower Bridge school house Saturday evening was a success not only in the way of enter-

tainment but financially also. The proceeds came to something over \$62. The purpose of the entertainment was to get library books for the school. The big number of books pulled off by seven men, Mr. Newbold as Lisa and D. Vedder as Rastos, Lisa's suitor couldn't be beat. Mr. Hoskins as the dude from Lower Bridge looked his part very well. The negroes were all suited to their parts. Splendid numbers were Poor Butterfly, sung by eight girls and a drill in costume. A reading by Mrs. L. A. Hunt was enjoyed by all. The violin, mandolin and piano trio by Hope Rice, Marguerite Walters and Omar Hoskins was very well rendered.

Miss Sarah Nealeigh of Prineville spent the week-end with her sister, Mrs. Russell Chapman.

A little more of this bomb practice, and he'll be ready to sit down and enjoy a little chew of the Real Gravelly the folks back home sent him.

Who is Going to Send Him another pouch of Real GRAVELLY Chewing Plug

Real Gravelly Plug is the tobacco to send the Boy—not ordinary plug loaded up with sweetening, but condensed quality—with the good Gravelly taste that satisfies and comforts and lasts a long while.

Give any man a chew of Real Gravelly Plug, and he will tell you that's the kind to send. Send the best! Ordinary plug is false economy. It costs less per week to chew Real Gravelly, because a small chew of it lasts a long while.

If you smoke a pipe, slice Gravelly with your knife and add a little to your smoking tobacco. It will give flavor—improve your smoke.

SEND YOUR FRIEND IN THE U. S. SERVICE A POUCH OF GRAVELLY

Dealers all around here carry it in 10c. pouches. A 2c. stamp will put it into his hands in any Training Camp or Scout post of the U. S. A. Even "over there" a 3c. stamp will take it to him. Your dealer will supply envelope and give you official directions how to address it.
