After the day's grind, a rest and a chew of Real Gravelly. This is solid tobacco comfort and to think—Six cent a tin!

**His Best Friend Sent Him
a pouch of
Real GRAVELLY Chewing Plug**

You will be sending your friend more tobacco comfort and satisfaction in a pouch of Real Gravelly Plug than in a half a dozen plugs of ordinary tobacco. Real Gravelly is worth sending a long way. It is condensed quality.

Give any man a chew of Real Gravelly Plug, and he will tell you that's the kind to send. Send the best! Ordinary plug is false economy. It costs less per week to chew Real Gravelly, because a small chew of it lasts a long while.

If you smoke a pipe, slice Gravelly with your knife and add a little to your smoking tobacco. It will give flavor—improve your smoke.

**SEND YOUR FRIEND IN THE U. S. SERVICE
A POUCH OF GRAVELLY**

Dealers all around here carry it in 10c pouches. A 3c stamp will put it into his hands in any Training Camp or Hospital of the U. S. A. Even "over there" a 3c stamp will take it to him. Your dealer will supply envelopes and give you official directions how to address it.
