Stover in Washington.—That B. A. "Dutch" Stover is back in Washington, D. C. from France is the news contained in a message from Captain George S. Young to H. C. Ellis received this morning. Through Judge Ellis, Captain Young wired his condolence to the families of V. A. Forbes and Ralph Poindexter, stating in his message that Lieutenant Stover "just returned and looking fine," joined him. Lieutenant Stover has been serving in France since last fall and none of his friends here have been advised of the cause of his return.

Few Home Vegetables.—There is a wide-spread complaint of inability to secure good home grown vegetables this year. Usually at this time there is an abundance of many varieties, especially peas. Growers are unable to furnish these in any considerable quantities because of the damage done by the aphid and because of the ravages of worms. Such vegetables as have thus far appeared on the local market have been chiefly California grown.
