

Election to be Held in the Next Few Weeks to Vote Bonds for Fire Protection

(From Tuesday's Daily.) Plans for rushing the special election for the purpose of voting bonds for the installation and maintenance of a fire department for the city were formulated at a meeting of the executive committee of the Commercial club and city officials, held last evening.

At the meeting it was pointed out that there were no available funds for the maintenance of even a temporary organization at this time, and in order to get such funds steps would have to be taken immediately to place the bond issue through. H. C. Ellis made the motion that the committee and members of the city council be instructed to act at once and determine where the bonds might be placed, and as soon as this was accomplished the election to be held.

H. J. Overturf informed the mem-

bers of the meeting that unless action on the bond issue was taken prior to September 28, and the bonds voted, after that date it would be necessary to submit the plans for bond issue to a government board, and with the heavy rush of business now before all government officials it would perhaps be several months before this permission would be granted. However, if the election is held prior to the 28th no such action is necessary.

Concluding the meeting, it was recommended by all present that the Commercial club members carry on a campaign until the time of election, instructing the taxpayers as to the need of the organization and equipment as a protection for the city.

Telegrams were sent last night by city officials to various bonding houses to learn where the bonds could most readily be placed.

GUSTAVO WRESTLES AT KLAMATH FALLS

Former Bend Wrestler Will Meet with Hard Man at That Place—Will Return to Bend Soon.

(From Monday's Daily.) Ad Gustavo, who defended the local honors for Bend in wrestling feats here last month when he defeated Young Norbeck in two successive matches, is now located at Klamath Falls and has agreed to meet one of the fastest men in the state there in the near future, according to word received from him. After leaving Klamath Falls Gustavo expects to go

to Weed, California, after which he will return to Bend.

COUNCIL AND FIRE COMMITTEE TO MEET

(From Monday's Daily.) For the purpose of completing the plans for the organization of a volunteer fire department in Bend, the Commercial club committee and the city council will meet this evening at 5 o'clock in the new city rest room quarters. It is expected that at that time T. W. Carlson will have definite plans to place before the council for the temporary organization and also for the purchase of equipment. All preliminaries for the proposed bond issue are to be taken up.

BANK DEPOSITS SHOW DECREASE

PORTLAND ONLY CITY IN STATE TO INCREASE.

Over One Million and Half Dollars Less on Deposit in June Than During the Month of November.

(From Thursday's Daily.) (Special to The Bulletin.)

SALEM, Sept. 5.—Deposits in Eastern Oregon banks at the call on June 29, 1918, amounted to \$35,288,465.36, according to figures compiled by Superintendent of Banks Bennett for The Bend Bulletin, this showing a decrease of \$7,991,599.16 from the call of November 20, 1917, for the 86 banks in the 64 towns classed as Eastern Oregon. In Western Oregon banks deposits showed an increase of \$1,629,244.49 in a similar length of time, these deposits including 176 banks in 100 towns. In Portland's 24 institutions the deposits showed an increase of \$3,274,746.35. This indicates that the deposits in Western Oregon banks outside of Portland had a decrease of \$1,645,501.86, the increase generally in bank deposits falling in Portland where great shipbuilding and war industries have been built up.

In his statement showing the bank situation Superintendent Bennett says:

"On November 20th, 1917, there were 261 banks in 162 towns in Oregon—178 state banks and 83 national banks. Of this number 84 banks in 62 towns are classed as being in Eastern Oregon, namely 49 state banks and 35 national banks.

"The deposits in Eastern Oregon banks—84 banks in 62 towns—on November 20, 1917, were \$43,250,064.52.

"The deposits in Western Oregon banks—176 banks in 100 towns—on June 29th, 1918, were \$156,305,955.37, an increase of \$1,629,244.49 since November 20, 1917.

"Portland, with 24 institutions, had deposits on June 29th, 1918, of \$103,979,739.90, an increase of \$3,274,746.35 since November 20, 1917.

"Thus the banks in Western Oregon, outside of Portland, have had a loss in deposits of \$1,645,501.86 since November 20, 1917."

Bank deposits in the Eastern Oregon towns having over \$1,000,000 on deposit were as follows at the last call: Baker, \$2,942,522, three banks; Bend, \$1,246,575.65, two banks; Burns, \$1,076,069.62, two banks; Heppner, \$1,358,116.48, two banks; Klamath Falls, \$2,152,386.55, three banks; La Grande, \$1,684,289.07, two banks; Lakeview, \$1,223,930.04, four banks; Ontario, \$1,342,126.18, two banks; Pendleton, \$6,006,888.70, two banks; The Dalles, \$2,286,785.26, two banks; Hood River, \$1,281,638.41, two banks.

PRINEVILLE TO VOTE ON BONDS

LARGE SUM YET TO BE RAISED BEFORE RAILROAD INTO THAT CITY CAN BE COMPLETED—ELECTION TO BE HELD SOON.

(From Saturday's Daily.) The answer to the question of why trains have not been operating over the new Prineville railroad is in the following report of the lack of finances necessary to the completion of the road, as published in the Crook County Journal:

"A proposed bond issue in the sum of \$78,350 may be submitted to the people at a special election to be set for an early date.

"This matter was discussed at council meeting last evening, at which considerable figuring concerning the amount that will be required to complete the road and other matters connected with the construction was done.

"It was first considered that a less amount would do the work, but the meeting finally adjourned until next Monday evening, at which time a complete audit of the railroad fund will be submitted, and an estimate of all the work that is yet to be done will be considered."

Dr. Turner, eye specialist of Portland, will be in Bend again Wednesday and Thursday, Sept. 11 and 12, at Thorson's jewelry store. Dr. Turner is a specialist of experience and standing and you will make no mistake in consulting him about your eyes and glasses. Headaches relieved. Cross-eyes straightened. Satisfaction guaranteed. Consult him. Don't forget the date.—Adv.27

WANT PLEDGES FOR RED CROSS

PEOPLE ASKED TO MAKE FINAL PAYMENT TO LOCAL CHAPTER BEFORE COMMENCEMENT OF FOURTH LIBERTY LOAN.

(From Thursday's Daily.)

An effort is being exerted by local Red Cross officials to have those signing pledges to the Red Cross in the second war fund drive to complete the payment on these pledges before the commencement of the fourth Liberty loan drive. This action is being followed by a request made by the district office at Seattle that the balances due be cleared before that time so that Red Cross workers and others will have free rein to devote their efforts to aid in putting the fourth loan over.

Final payments on these pledges were to have been made on October 1, so that in asking those signing to make payments a few days previous to the expiration of their pledge is not thought liable to cause a hardship.

Payment on these pledges may be made at the office of the secretary, J. C. Rhodes, at his office in the Deschutes Investment Co. building.

A. G. CLARK AGAIN VISITS IN BEND

(From Monday's Daily.) A. G. Clark, field manager for the fourth Liberty loan, arrived in Bend this morning. It was not learned what Mr. Clark is planning on his visit here at this time.

CLOVERDALE. (Continued from Page 2.)

It had the misfortune of tipping their separator over last Monday evening. The cause was a broken drive shaft on the engine letting the rig back down the Woodruff hill. There was considerable damage done to the separator, but the threshermen think they can o. k. the machine all right.

There has been quite a little rye threshed in this community, considered a fair yield and good quality, which we need at this time.

The Cloverdale school was successfully started on the 3rd, with Miss Morris from Terrebonne at the head, with an enrollment of 19 pupils and an expectation of more.

Mrs. A. E. Peterson, H. C. Miller, H. Kilgore and Mrs. Hillery were at the Fullerton ranch on Squaw creek Friday for vegetables.

J. B. Miner of Bend has been quite successful in Cloverdale the past week. He sold the W. W. Van Matre ranch and the Sam Matre ranch. Both purchasers were stockmen from the Silver Lake country. W. W. Van Matre moved his family to his newly purchased home in Redmond Saturday and Sunday for the purpose of getting the children in high school.

Geo. F. Cyrus has rented a house in Redmond for his wife's sister, Mrs. Waymeyer, and his daughter Ladons, who intends to attend the Redmond high school.

The Cloverdale Sunday school had an attendance of 17 last Sunday. Preaching services followed with Rev. McVicker as the pastor. Preaching services will be held again on the 29th of this month.

Miss Inez McKinney of Sisters and Verne Skelton spent Sunday evening with Mr. and Mrs. Dean Van Matre.

W. W. Van Matre and wife and son Dean motored to Bend Saturday on business.

R. D. Woodworth and H. K. Boyd were in Bend Saturday.

Mrs. W. F. Fryrear and Madison Holton were in Bend Saturday.

Mr. and Mrs. R. J. Skelton and Vern and W. F. Fryrear were in Bend last week.

Mrs. H. R. Kline is boarding the school teacher this year.

What is a Branch House?

The Branch House is the place in the packing organization where what the packing plant does for you is put where you can use it.

Both are the natural result of growth and development in the living thing they belong to.

Swift & Company Branch Houses are located in distributing centers all over the country. They are fitted out with refrigerating equipment to keep meat cool, sweet and fresh.

Each one is in personal charge of a man who believes in what Swift & Company is doing for people and wants to help do it.

They are directed by men who have spent years learning how to get better meat cheaper to the places where it is needed.

Meat is shipped to the branch houses direct from the packing plants in Swift & Company's refrigerator cars, in such quantities that it can be disposed of while fresh and sweet.

Your meat dealer comes here to buy your meat for you—unless someone else can treat him better than we can.

So you need the branch house in order to live well; and the branch house and the packing plant need each other, in order to be useful to you.

Swift & Company, U. S. A.
