## SISTERS SCHOOL HAS GOOD RECORD

SISTERS, Oct. 7.—A program of recitations, readings and songs will be rendered by the school children at the school house on Friday evening, October 25, in honor of Frances Willard. The average standing in spelling in the upper grades for the month of September was 96 per cent. A perfect record was made in spelling by the pupils in the upper room on Wednesday, no one missing a word. Roland Clarke and Margaret Quiberg secured the honors at a spelling contest Thursday evening. All pupils above the third grade took part. A spelling contest will be held every Friday evening. Parents are cordially invited to attend and a community sing will also take place. A new dictionary with all the latest features has arrived and is being thoroughly digested by the upper grade pupils. Four thousand five hundred gun wipes and six kitchen folders were made by the school children during the month of September, and \$42 worth of thrift stamps were sold. George Davis purchased \$8 worth of thrift stamps on Wednesday. Elmer Graham, Annie Clett and George Davis did not miss a word in spelling during the month of September. Principal F. W. Weber gave the desks in the upper room a coat of varnish Saturday. Arnold and Joseph Brady have been helping Roy Davidson shuck grain after school hours. Mr. and Mrs. W. E. ## TERREBONNE CLUB WILL HOLD FAIR

TERREBONNE, Oct. 8.—Club members of the Boys' and Girls' Industrial clubs of the Terrebonne district will hold a school fair at the time of the Red Cross sale in Terrebonne, on October 18, 1918. The Terrebonne district has been one of the best club sections of the county and the boys and girls there have demonstrated their ability as successful farm men and women by raising splendid gardens, pigs, lambs and poultry. The state club leader and the county agent recently called on these club members and were shown the results of their work. All of the pigs and lambs showed excellent care and many of them exceeded in size and quality the live stock owned by their parents.

The fair and exhibit at Terrebonne on October 18th is being stimulated by Gertrude Whites and Dewitt Williams of the Terrebonne schools. These members of the faculty have shown great interest in the club work and have assisted the boys and girls throughout the summer in keeping their club projects going and in sending in their reports.

The boys' and girls' club movement is one of the surest ways to interest the boys and girls in living on the farm and is a step forward in the better farming, better business and better living program which is being advanced by all national agencies having to do with the improvement of country life.
