

XMAS PARCELS FOR SOLDIERS

NOT TO BE SENT LATER THAN NOV. 15.

Christmas Parcel Labels Must Be Secured Before a Package Can Be Sent to Men Overseas—Red Cross to Handle.

No Christmas parcels to men overseas can be mailed later than the 15th of November, says an order which has just been received by the local chapter of the Red Cross from the district office at Seattle. These instructions have been issued by the national headquarters of the American Red Cross and are based on an agreement with the war department and the postoffice department. All parcels are to be handled through the local chapter of the Red Cross, and cannot be mailed by the individual, according to the rules and regulations which have been made by the department, and which are as follows:

"Families of men in service abroad are eager to make Christmas overseas as merry as conditions permit. The war department, realizing this, has decided that each man may receive from his family a Christmas package of standard size and approximately standard contents. The American Red Cross will prepare these parcels for mailing, an arrangement having been completed between the war department, the postoffice department and the Red Cross.

"Shipping space available will permit the sending of but one parcel to each man.

"To avoid any duplication and to make sure that each parcel is correctly addressed, a Christmas parcel label is now being issued to every man abroad.

"Every man abroad will mail his Christmas parcel label to some relative or friend who will be entitled to send him a parcel by complying with the conditions herein set forth. The relative or friend who receives a Christmas parcel label from a man in service overseas will apply to the nearest chapter, branch or community auxiliary of the Red Cross, or to such other Christmas parcel station as may be designated by his Red Cross chapter, and upon showing the Christmas parcel label will receive one carton, 3x4x9 inches in size. It will be easy to ascertain from the newspapers whether cartons have been received at the Christmas parcel station. Application should not be made until cartons are on hand.

"Specially manufactured cartons for this purpose will be sent to chapters from division headquarters and will be distributed by chapters to branches and community auxiliaries or such other Christmas parcel stations as the chapter may establish, together with Red Cross inspection labels, also furnished from the division office.

"The carton may be filled with any combination of articles that fit in it and which are not barred from Christmas parcels by the postoffice department. The list of articles that may not be sent may be procured from the same place as the cartons.

"The weight of the parcel must not exceed 2 pounds 15 ounces unwrapped.

"When carton is filled it should be taken to the place where it was procured.

"Red Cross representatives will inspect the parcel and will (a) exclude any article barred by the postoffice department from Christmas parcels; (b) remove any notes or messages; (c) wrap, tie and weigh the parcel; (d) place on the parcel the Christmas parcel label received from abroad, bearing name and address of recipient.

"The person sending the parcel shall then in the presence of the Red Cross representative affix stamps at the rate of 12 cents for each pound or fraction thereof (parcel post rate to Hoboken, N. J.).

"The Red Cross representative who inspected the parcel will then affix to the parcel the Red Cross inspection label, properly signed.

"Parcels ready for mailing shall remain in the custody of the Red Cross until delivered by its representatives to the postoffice authorities."

GOSNEY IN SIBERIA.

Glen Gosney, son of Mr. and Mrs. H. E. Gosney of this city, is now in Siberia with American forces there. Mr. and Mrs. Gosney received a letter from him this morning. Young Gosney left Bend on May 1 for Camp Fremont, California, where he has been stationed until the call came for the voyage to Siberia.

LETTERS from our boys in the trenches and from the women in canteen and other war work, all bring to us the same message—SEND US NEWS FROM HOME.

World news is all right, but OUR BOYS want NEWS OF THIS TOWN. They want the home newspaper. Publishers are prevented from sending their papers free to anyone, even boys in the service. Consequently a national movement has been started by Col. William Boyce Thompson of New York, who is acting as President of the Home Paper Service of America to give the boys what they are calling for. Every community is joining the movement. Let us see that our boys are not forgotten.

Send to the publisher of this newspaper whatever amount of money you can—5 cents or \$50.00. We will publish a list each week of those contributing, and the amounts contributed.

Five cent received will be used to send this paper to our boys at the front. If at the end of the war, there is any surplus, it will be turned over to the local Red Cross Committee.

There is no profit in this to the publisher—even in normal times, subscriptions are not sold at a profit. With war prices prevailing, and the high rate of postage on papers sent to France, our cost will scarcely be covered by our full subscription price.

Remember that over in France, some brave soldier or sailor from this town—perhaps even some splendid woman working within sound of the guns—is depending on you to "KEEP THE HOME LOVE KINDLED."

They are calling to YOU from "Over There" GIVE WHAT YOU CAN THE BEND BULLETIN

FULL STOMACH ALL THEY NEED

YANKS ABLE TO FIGHT IF THEY KNOW CROPS ARE GOOD IN NORTHWEST SAYS CORPORAL WALTER C. BEESLEY.

(From Friday's Daily.) A Sammie can go through hell on a full stomach or through the same regions to fill it, according to a letter from Corporal Walter C. Beesley, formerly of Redmond and Bend, to his father C. Beesley at The Dalles, Oregon. Corporal Beesley was one of the first men in Deschutes county to offer his services at the outbreak of the war, and is now in a hospital in France convalescing from an attack of rheumatism. This letter, especially interesting because of his desire to get well and get another blow in at the Huns, follows: "Dear Daddy: I guess it is about time to write you to let you know that I am yet among the living. "I am in the hospital, but not down and out, only rheumatism in the right leg and hip. There is one thing that makes my mind at ease. I got to see some real war, and just as soon as I can travel I want to see some more. I may never see my old company again as I expect to go to some casual camp from the hospital, but all I want is my gun back and a chance to use it. "Write to me at the same old address and be sure and let me know if the crops are good in the northwest this year. That is what we need most to settle this thing over here. A Sammie can go through hell on a full stomach, or if necessary he will go through hell to get it full."

GOES TO SEATTLE.

(From Friday's Daily.) C. B. Johnson, who for the past several months has held the position of night clerk at the Pilot Butte Inn, will leave tomorrow for Seattle, where he has accepted a position with J. M. Patterson, operator of a string of four hotels in that city.

LOCAL TALENT IS CREDITABLE

"GLORY OF THE MORNING" AND "THE MAKER OF DREAMS" ARE WORTHY OF HIGH PRAISE—ALL PARTS ARE WELL TAKEN.

(From Friday's Daily.) Seldom if ever has the Bend theatre going public been offered more entertainment by local talent than was afforded at the Gymnasium last night and the night previous, when "Glory of the Morning" and "The Maker of Dreams" were presented. Both one-act plays but of two entirely different settings, they appealed especially to the audience. The former a story of the life of an Indian maid in the early settlement of the middle west, was picturesque in the stage settings and costuming, for which elaborate preparations had been made. "Glory of the Morning," portrayed by Miss Hazel Stevens, "Oak Leaf" by Mabel Sphier, "Red Wing" by Bruce MacGregor, "Black Wolf" by Geo. R. Pauly and the Chevalier by R. D. Ketchum, were all well taken, the parties taking their cast with ease and grace. Much the same can be said of Mrs. Charles Erskine as "Pierrette" and Stanley Bond, a manufacturer, in "The Maker of Dreams," a whimsical play entirely the opposite of its predecessor. Interspersing the plays, the music rendered by the orchestra under the direction of Mrs. Rose Howard was creditable.

STUDY CLUB MEETS.

Mrs. W. C. Birdsall will be hostess at the first yearly meeting of the Bend Study club next Monday, October 14. A study of French history will be made by the club during the year. Papers will be read by Mrs. Whisman on "The Origin of the Empire," by Mrs. Miles on "The Church and the Franks" and by Mrs. Nichols on "Charlemagne."

350 POUNDS OF FRUIT STONES

Two Schools in the City Supply Nearly Quarter of a Ton of Material for Gas Masks.

(From Friday's Daily.) Three hundred and fifty pounds of fruit stones were gathered by J. Alton Thompson, superintendent of schools, Wednesday from the Central and Kenwood schools. These stones had been gathered by the pupils of the two institutions. Mr. Thompson stated this morning that this represented but a small amount of the number of stones it will be possible to gather in the county. He has been notified that there is already another large quantity at the Reed and Central schools, while all of the outside districts have been making their collections.

LEAGUE CHALLENGES OFFICER FOR DEBATE

(From Friday's Daily.) A challenge for a debate has been issued by the Anti-Saloon league to H. H. De Armond on the question, "Resolved, that H. H. De Armond, the present district attorney for Deschutes county, should be elected on his official record."
