**MARRIED MEN GO IN CLASS** 1

## NEW ORDER RECEIVED HERE.

All Married Men Without Children, of All Registrations, Are to to Be Reclassified by Local Board.

(From Saturday's Daily.)

Between 35 and 40 registrants of the June, 1917, June, 1918, and August, 1918, registrations in this county are effected by the new order of Provost Marshal General Crowder which places married men without children in class 1.

The order, numbered 268, was re-ceived by the local draft board here this morning, and in effect places all men who are married but without children, and whose wife has other means of support or is capable of earning her own living, in class 1. "If the registrant has a wife and no children, and other sources of support available, so that the removal of the registrant will not deprive the wife of reasonable support, he goes in class 1

'Local boards are directed to at once initiate reclassification and to reclassify registrants into class 1. In so reclassifying other sources of support, including income from prop-erty, the earnings of the wife in the employment in which she is now engaged, or in which she can become engaged, the registrant's allotment and the government allowance are to be taken into consideration by the board.

Besides those of the earlier regitration who are affected under this order and have been given deferred classification on account of the de-pendency of their wives alone, the order is also effective for all men. of the September, 1918, registration, whose classification has not yet been completed.

Members of the local draft board this morning stated that steps would be taken immediately for the reclassification of all men coming under this order.

Oh, the English and the Irish, and the 'owlin' Scottles, too, The Canucks and Austryleuns, and the 'airy French Pollu— The only thing that bothered us a year before we knew Was 'ow in 'ell the Yanka 'ud look, an' wot in 'ell they'd do.

They 'adn't 'ad no trynein', they didn't know the gyme, They 'adn't never marched it much—their shootin' was the syme; An' the only thing that bothered us that day in lawst July Was ow' in 'ell the Line 'ud 'old if they should run aw'y.

Them leggy, nosey new 'uns, just come across th' sea-We couldn't 'elp but wonder 'ow in 'ell their guts 'ud be. An' the only thing that bothered us in all our staggerin' ranks, Was wot in 'ell 'ud 'appen w'en the 'Uns 'ad 'it the Yanks,

My word! It 'appened sudden w'en the drive 'ad first begun; We seed the Yanks a-runnin'-Gawd blimy! 'ow they run! But the only thing that bothered us that seed the chase begin, Was 'ow in 'ell to stop 'em 'fore they got into Berlin.

They didn't have no tactics, but the bloody manual, They 'adn't learned nor horders but "Ourray!" an' "Give 'em 'ell!" But the only thing that bothered us about them leggy lads Was 'ow in 'ell to get the chow to feed their "Kamerads!"

So we're standin' all together in a stiffish firin' line, If anyone should awsk you, you can say we're doin' fine. But the only thing that bothers us—an' that don't bother much— Is 'ow in 'ell to get the dirt to bury all the Dutch

Gawd's trewth! it's rotten fightin' that all our troops 'as seen, The 'Un's a dirty pl'yer, becos 'e's always been; But the only thing that bothers us in 'andin' 'im our thanks Is 'ow in 'ell we'd done if it weren't fer the Yanks.

Oh, the English an' the Irish, an' the 'owlin' Scotties, too, The Canucks and Austryleuns, an' the 'airy Pollu-The only thing that bothered us don't bother us no more; It's why in 'ell we didn't know the Yankee boys before!

LETTERS from our boys in the trenches and from the women in canteen and other war work, all bring to us the same message-SEND US NEWS FROM HOME.

World news is all right, but OUR BOYS want NEWS OF THIS TOWN. They want the home newspaper. Publishers are prevented from sending their papers free to anyone, even boys in the service. Consequently a national movement has been started by Col. William Boyce Thompson of New York, who is acting as President of the Home Paper Service of America to give the boys what they are calling for. Every community is joining the movement. Let us see that our boys are not forgotten.

Send to the publisher of this newspaper whatever amount of money you can-5 cents or \$50.00. We will publish a list each week of those contributing, and the amounts contributed.

Eve. r cent received will be used to send this paper to our boys at the front. If at the end of the war, there is any surplus, it will be turned over to the local Red Cross Committee.

There is no profit in this to the publisher-even in normal times, subscriptions are not sold at a profit. With war prices prevailing, and the high rate of postage on papers sent to France, our cost will scarcely be covered by our full subscription price.

Remember that over in France, some brave soldier or sailor from this town-perhaps even some splendid woman working within sound of the guns—is depending on you to "KEEP THE HOME LOVE KINDLED."

They are calling to YOU from "Over There" GIVE WHAT YOU CAN THE BEND BULLETIN
