Patrons of the rural route must have patience with the delivery of mails while the people are ill, as substitutes are hard to get. The ringing of the emergency alarm on the telephone Saturday night brought many residents of Powell Butte from their beds to find that it was a call for help from the residence of Mrs. Mary Sheeley, caused by a burning flu. Automobiles were soon on the scene and willing hands of many kind hearted

neighbors quickly put out the fire that in a short time might have proved a disastrous blaze. Mrs. Sheeley desires to thank her neighbors who left their warm beds to help a neighbor in distress. Mr. Hageman, a veteran ex-fireman who is visiting his brother-in-law, Wm. Wilson, was the hero of the fire at the Sheeley home. He sure knew just how to do things there.
