HARRY LAUDER'S THRIFT MAXIMS

1. Behave toward your purse as you would to your best friend.
2. View the reckless money spender as a criminal and shun his company.
3. Dress neatly, not lavishly, a bank pays a higher rate of interest than your back.
4. Take your amusements judiciously, you will enjoy them better.
4. Don't throw away your crusts; eat them, they are as strengthening as beef.
6. It is more exhilarating to feel money in your pocket than whiskey in your stomach.
7. You can sleep better after a day's hard work than after a day's idleness.
9. Always get good value from your tradesmen, they get good money from you.
10. There is as much pleasure in reading a good bank book as a good novel.

One cent a word is all a little Want Ad will cost you.

THE CASH MEAT MARKET

Wishes to Call Your Attention to the Fact that We Handle Meat of the Best Quality That Central Oregon Affords

WE buy anything of GOOD QUALITY in meat products that the farmer has to sell.

Our prices are as low as present business conditions permit.

The larger the quantity bought the less we charge for doing business. A large volume of business with a small profit is better than a few sales and a big profit.

Our business is based on this principle.
