"This small chew of Real Gravely gives more real tobacco satisfaction than a big chew of ordinary plug. It tastes better and lasts longer."

Good taste, smaller chew, longer life is what makes Genuine Gravely cost less to chew than ordinary plug.

BEND WINNER IN HARD GAME

LOCAL BASKETEERS GET SCORE OF 42-36 OVER REDMOND HIGH SCHOOL IN HARD, SPECTACULAR CONTEST.

(From Saturday's Daily.) In a fast, spectacular game, the Bend high school basketball team took the Redmond quintette into camp last night, winning by 42-36. The contest was staged at the athletic club gymnasium, and after the game a dancing party was given in honor of the visiting team.

The local players showed a remarkable gain in team work and were strengthened by placing Ed Brosterhous at center. It was his first appearance this season in a league game, but he found the basket five times during the evening. Sanders of Bend was high point winner for both teams, scoring 20 in goals and fouls, while Coyner and Helfrich each contributed six points.

On the visiting team Burmaster, forward, and Tuck, center, knocked down 14 and 12, respectively, and Tuck in particular should be mentioned as ranking with Sanders as one of the stars of the game. Tall, strong and fast, he was altogether too much for Hauck to guard with any degree of success. Butler took two points and Doty eight.

Fouls were abundant during the early part of the second half, but were due largely to the hard, fast style of playing. Altercations between Childs and Reynolds, the officials, were frequent, and resulted eventually in Reynolds being forbidden to step within the side lines.

It was anybody's game during the entire contest, Bend leading by a bare three points at the end of the first half. In the early part of the second half the visitors played the locals off their feet, taking a substantial lead which was only overcome when the Bend boys developed an uncanny accuracy in locating the basket.

ATHLETIC CLUB ACTIVITIES SHOWING ENCOURAGING GAIN

(From Monday's Daily.) L. C. Carroll, newly appointed assistant secretary of the Bend Amateur Athletic club, is now on duty at the club office, and reports that a lively interest is being taken by the membership and that dues are coming in rapidly. The questionnaire recently sent out by the club directors is bringing in numerous answers, and as the cards come in each member is put in touch with the manager of the activity in which he is particularly interested.

The club management is endeavoring to secure an all round physical director, and as soon as one can be picked from the returned soldiers gymnasium work will be taken up in real earnest. The lounge room, providing a place where members may smoke, read or play quiet games in front of the big fireplace, is to be completely furnished at once, and it is believed will soon become one of the most attractive features of the club.

At present the club membership is practically unlimited, and is open to every family in the community, providing that each prospective member

is properly vouched for and is willing to abide by the rules of the organization.

The bowling tournament which was started last Friday night is attracting considerable attention. The third match is scheduled for tomorrow night, when The Shevlin-Hixon team will compete with the professional men. On Friday night the Brooks-Scanlon bowlers and the Bend business men will meet on the club alleys.

In addition to ordinary activities, the management of the club has made it possible for the people of Bend to hear one of America's greatest humorists, Irvin S. Cobb, who will speak on "My Recent Experiences on the Fighting Front in France and Flanders," on February 10.

SPRING WEATHER ENJOYED BY BEND

(From Monday's Daily.) Bend enjoyed the warmest weather in weeks this afternoon, when the mercury reached 56 degrees.
