

# TRUCKS ASKED FOR ROAD USE

### MOVEMENT IS UNDER WAY TO MAKE SPRUCE DIVISION MOTOR VEHICLES AVAILABLE FOR STATE HIGHWAY WORK.

(From Friday's Daily.)  
As a means of making possible greater efficiency in carrying out the good roads program in Deschutes county and in Oregon, the Bend Commercial club is earnestly backing the movement to secure motor trucks, thousands of which are in the possession of the spruce production division.

The means of disposing of the trucks as first planned is for the sale of the cars to private individuals. W. C. Birdsall of Bend, writing to State Representative Ben Sheldon, pointed out, however, that this plan would bring in a comparatively small amount of money, while by turning over the trucks to the various states for highway or other state work a vast amount of good would be done for the people and the country at large.

In connection with the question brought up, the Commercial club received a letter yesterday from Representative Sheldon stating that he would turn the matter over to the state highway commission. The club, however, is not satisfied with this disposition of the case, and in answering urges that it be taken up at once in the legislature.

Mr. Birdsall's interest in the matter was stimulated by a recent conversation with Major Campbell of the spruce division in Portland, in which the army officer stated that he was anxious that the trucks be turned over to the states to aid in road improvement.

## THREE APPREHENDED WHILE IN CARD GAME

### Trio Taken This Morning by Chief of Police Nixon Say They Were Playing Solo, Not Poker.

(From Saturday's Daily.)  
Suspected of violation of the anti-gambling laws, S. P. Barclay, L. V. Howell and Dr. J. H. Connors were apprehended at 9 o'clock this morning by Chief of Police L. A. W. Nixon, in a house near Hill and Greenwood. The three declared that they had merely been indulging in a sociable little game of solo, but were ordered to report in court at 3 o'clock this afternoon for hearing.

Intimation that gambling was going on reached the police headquarters this morning, and Chief Nixon at once proceeded to the house. A game of poker was in progress when he looked through the window, he said, but by the time the door had been opened, on his demand, the money had been swept out of sight and the style of play had changed. He collected approximately \$100 before releasing the men.

## FAMILIES BENEFIT BY MILL INSURANCE

### Policies for \$4000 Were Carried by Brooks-Scanlon Lumber Co. for Men Who Died of "Flu."

(From Friday's Daily.)  
Four checks for \$1000 each have been received by the Brooks-Scanlon Lumber company for remittance to the beneficiaries of employees who died during the recent influenza epidemic. The checks represent insurance carried by the company for the benefit of employees.

The four employees who died during the epidemic were H. A. Pearce, William Stranberg, Douglas Clark and Axel Youngen. The Pearce check goes to his family in Burns, that for Douglas Clark to his mother, Mrs. Imogene Elder, of Bend, and the checks for William Stranberg and Axel Youngen to their families, also of Bend.

Including these payments the total paid by the insurance company through the lumber company since February 1, 1918, on account of deaths of employees is \$12,000.

## ELECTRIC STORM AFTER SNOW IS WEATHER ODDITY

(From Friday's Daily.)  
With six inches of snow covering the ground, most of it fallen during the day, Bend witnessed the rare spectacle of a winter thunder storm late yesterday afternoon. Lightning flashed and thunder rolled during a period of a quarter of an hour. The electric storm started a few minutes after the falling snow had turned into a heavy rain. Old inhabitants of Bend can remember no similar combination of weather conditions.

The precipitation during the last two months has been unusually heavy for this time of year, totaling approximately three inches. With plenty of snow still unmelted, the ground is soaked with moisture, and vast reserves of snow in the mountains promise an abundance of water for irrigation during the coming season. Bumper crops are predicted.

## LOCAL TALENT PLAY SUCCESS

### CAPACITY HOUSE AT GYMNASIUM ENJOYS PRODUCTION OF "THE GIRL OF EAGLE RANCH," FOR BENEFIT OF LIBRARY.

(From Saturday's Daily.)  
Playing to a capacity house at the Bend Amateur Athletic club gymnasium last night, local talent players, under the direction of Jay B. Noble, produced "The Girl of Eagle Ranch" with excellent success. The plot of the play is woven about a cattle rustling episode on an Arizona ranch, and the story ends with the defeat of the outlaws and the successful outcome of a three-act love affair. The play was given for the benefit of the Bend Library club.

Unusually good music was furnished during the performance by an orchestra composed of Mrs. M. H. Horton, Mrs. Iva Ward, Alex. Eggleston, Ashley Forrest, Dr. R. D. Ketchum and M. Halvorsen. The members of the cast were Jay B. Noble, Eugene Falton, Fern Allen, Ray Golden, Ted Sexton, Ralph Curtis, Mrs. R. S. Dart and Mrs. Amy Noble.

Bend high school girls, in white frocks, each wearing the national colors, were the ushers for the evening.
