AUTHORITIES ON IRRIGATION TO BE SPEAKERS

(Continued from Page 1.)

tical men and have made a success of their various lines. There will be some evening lectures, at which moving pictures concerning improved agricultural practices will be shown. Last year some 75 farmers and irrigators gathered at the school from all over Central Oregon. This year it is hoped to have over a hundred registrants from the California line to the Columbia river, and from the Cascades to the Idaho boundary. The last day of the school, March 8, will be devoted to a field trip to one
