

FIRE FIGHTERS TO GIVE DANCE

BENEFIT DECIDED ON BY BEND DEPARTMENT—HONORARY MEMBERS WILL BE ALLOWED TO JOIN ORGANIZATION.

(From Tuesday's Daily.)
Members of the Bend volunteer fire department will entertain at a benefit dance to be given in the near future. It was decided last night at the regular meeting of the active members of the department. Final plans for the affair will be made at the meeting next Monday night.

In addition to the present membership list, a new class of members is to be started, and those wishing an honorary connection with the department will be allowed to make application this week. Chief Carlson is particularly anxious that this list be made as large as possible, believing that it is the most effective way of assuring the backing of the large majority of the citizens of Bend for the department.

Discussion of fire prevention had on important place at last night's meeting, an address on this subject and on the elimination of fire hazards being given by Chief Carlson.

D. W. Dieterich will hold a public sale on the I. E. Wimer ranch, Tumalo, Friday, March 7, 1919. Free lunch.—Adv.52p.

Thomson Says He Gained 34 Pounds

Suffered Fifteen Years With Rheumatism and Other Troubles.
Another remarkable statement to be added to the thousands already

given, testifying to the undoubted benefits that have been derived from the use of Tanlac in long standing cases of rheumatic troubles. It is that made the other day by Duncan Thompson, who is in the meat market business and lives at 421 1/2 Hawthorne avenue, Portland, Oregon. In telling of his experiences with Tanlac, Mr. Thompson said:

"I feel it my duty to tell everyone how Tanlac restored my broken-down health, for the only way I found out about this wonderful medicine was through others telling of how it helped them.

I suffered from a rheumatic condition of the system for fifteen years, and I kept getting worse all the time. My kidneys worried me too, for the last two years, and the misery in my back was so terrible at times I felt that it must surely break in two. My legs and knees would draw up until my muscles felt like they were tied in knots and ached so had I could hardly bear to have anything touch them. I was so badly constipated that I had to take something for this condition every two or three days, and my troubles weighed on me so and pulled me down till they nearly put me out of business. I lost weight and felt so tired and worn out all the time that I could hardly drag myself to work.

"Well, I tried everything I could hear of, but got no better, and had begun to think there was no help for me at all. I was in Snyder, Oklahoma, when I first heard about Tanlac, everybody there was taking it and the results they were getting were so remarkable that I bought some myself to try. Why, I personally know of one lady who was down on her back for six months with rheumatism and her friends had given her up to die. She took Tanlac and is now up, doing her own work, and is as well as ever. I could tell you of many other cases, but to get back to my own case, I felt so much better after taking the first bottle that I kept on with it till now my rheumatism and kidney trouble have been entirely relieved, my constipation has been removed and I have actually gained thirty-four pounds in weight. I am stronger and better than I have been in years, I work as hard as a man half my age and it don't hurt me a bit. I have already told many people about the way Tanlac has fixed me up, and I expect to tell many more, for I think Tanlac is the best medicine any one can take."

Tanlac is sold in Bend by the Owl Drug Company, in Sisters by Geo. F. Aitken and in Bend by Horton Drug Company.
