RELIEF PARTY IS HEARD FROM

(Continued from Page 1.)

pleasanter, so we are five in a large room, with private bath, for which we are duly thankful.

"The first day out we had the excitement of a smart fire in the hold. The fire alarm sounded, for drill, as we thought till we found the corridors all smoky and the boats all down in readiness. It was out, I suspect, before we found our positions at the boats to which we were assigned. Soon after that excitement

we had "abandon boat" drill, which means putting on your life preserver at a bugle call and finding your way onto deck C and to the life boat assigned. Since the first day we have had no excitement of that kind, but we've been very busy studying Turkish, Armenian or Arabic.

"Today we had sports in honor of Washington's birthday—a three-mile relay race, tug of war, 100-yard dash, sack race, three-legged race and wheelbarrow race—on deck. Three times round the deck is a mile and the 100-yard dash took less than a third of the deck. The crew had the time of their young lives.

"It was rumored that the Astor yacht was at Brest and to be taken to Constantinople by part of this crew and our party to go with it. Since then we hear we may go by hospital train down through France.

"It has been a very enthusiastic trip, or crowd, and very little seasickness. This goes right back on the Leviathan and will reach Oregon about the time we hope to get to Constantinople."

Guard the Children's Health.
Mrs. Eflaw, Box 26, Bennett, Wis., writes: "We have always used Foley's Honey and Tar for colds and find it great. The children all run for it when they see the bottle and ask for more." Contains no opiates, safe, and harmless, but gives prompt relief to coughs, colds, croup and whooping cough. Sold everywhere.—Adv.

FIRE SCHOOL FOR BEND FORCE HELD

Special Course of Instruction Is Arranged for Volunteers—Mayor Compliments Department.

(From Tuesday's Daily.)

To accustom the members of the Bend volunteer fire department to the use of fire fighting apparatus and equipment, Chief Tom Carlson has formulated a special course of instruction for members of the Bend force, and weekly meetings, held every Monday night, will be chiefly for the purpose of schooling the volunteers. The first instruction of the kind was given last night.

Mayor J. A. Eastes appeared before the members of the department and in a brief address complimented them on the progress they have made and in the enthusiasm shown by the new city organization.

A FRIEND RECOMMENDED THEM.

J. N. Tohill, clerk Lottie Hotel, Evansville, Ind., writes: "For six weeks I suffered constantly with pains in the muscles of my thigh. Upon recommendation of a friend, I tried Foley Kidney Pills and began to get relief almost immediately." They stop backache, rheumatic pains, soreness and stiffness. Sold everywhere.—Adv.

DANIELSON SECURES POWER CO. CONTRACT

Spillway Above Plant to Be Concreted for Entire Length—Water Will Not Be Raised.

(From Monday's Daily.)

The letting of a contract to M. J. Danielson to concrete the spillway above the Bend Water, Light & plant was announced this morning by T. H. Foley, manager of the power company. The improvement is to start at once, and will be for the purpose of strengthening the spillway without raising the height of the water, Mr. Foley stated.

Mr. Danielson has handled a number of contracts of the kind in Bend in the last few years.

MAYOR'S PROPERTY IS FIRE HAZARD

(From Wednesday's Daily.)

As the first to comply with the provisions of the recently passed city ordinance condemning certain frame buildings in the business district as fire hazards, Mayor J. A. Eastes today ordered the tearing down of a shack belonging to him, located in the alley between Bond and Wall streets.
