

MAJORITY OF BEND TEACHERS ARE ELECTED FOR NEXT YEAR

(From Monday's Daily.) Announcement of election of instructors for the coming year by the Bend school board was made this morning by Superintendent S. W. Moore, a total of 33 being included on the list. Of these, however, T. D. Sexton, Miss Hazel Hazelton, Miss Hazel McGilvray and Miss Mildred Morsdorf were given only honorary reelection, as the board was given to understand that they would not

be here for the next fall term. Miss Blanche Miller, language instructor in the high school was not a candidate for reelection, and there were three whose applications were in who were rejected.

Those reelected, who are contemplating returning next year include: Principals R. C. Johnson, Miss Veronica Cane and Miss Mary Maclay; senior high school instructors; Miss Helen Manny, Miss Margaret Hansen, Miss Harriett Umbaugh, Miss Mabel Lorence, Miss Chaney; junior high school instructors; Miss Clare Pruech, Miss Gertrude Foley, Miss Maude Grant, Miss Nora Maclay and Miss Bertholda Sanders; grade school instructors; Miss Eva May Harker, Mrs. Ida Davidson, Miss Grace Cane, Miss Nellie Pattison, Miss Bertha Wilkins, Miss Eloise Gordon, Miss Bernice Ohman, Miss Elaine Short, Miss Doris Foster, Miss Jennie V. Larson, Miss Eveline Crow, Miss Marie Brosterhaus, Miss Ruth Stevens, Miss Maybelle Wagner, Miss Minnie Thompson and Mrs. Anna Curry.

No contracts have been signed as yet, and Mr. Moore states that instructors will be expected to renew their teaching certificates so that they will be valid during the entire year before any contracts will be entered into. The instructors chosen so far are subject to assignment, it is explained. Other selections to fill vacancies which will exist will be made by the board from time to time before the opening of the fall term.

O. T. OFFICIALS INSPECT ROAD

WELL PLEASSED WITH CONDITIONS AND LOCAL MANAGEMENT—GREATLY INCREASED TRAFFIC PREDICTED.

(From Saturday's Daily.) On their semi-annual trip of inspection, officials of the Oregon Trunk railroad arrived in Bend yesterday afternoon by special train, and left again for Portland last night. They were well pleased with the condition of the roadbed and with the manner in which the road's business is being handled at this end of the line. Traffic is increasing markedly, and there is every prospect for an unusually busy year, they declare.

Included in the party were A. J. Davidson, federal manager; R. C. Wegner, superintendent; R. W. Pickard, assistant general freight agent; R. H. Crozier, assistant general passenger agent; Charles Whitfield, general roadmaster; A. J. Wittell, engineer; E. F. Kelly, foreman of carpenters; Harry Withycombe, roadmaster; J. J. Hardy, general freight and passenger agent.

CHILDREN ADMIT STORE ROBBERY.

Fourteen Year Old Runaways From Tumalo Section Declare Hunger Caused Them to Steal.

(From Saturday's Daily.) Basil Bailey and Tom Collier, 14 year old youngsters from the Tumalo section, after admitting that they had broken into the J. M. Griffin store at Tumalo were brought to Bend last night and turned over to Sheriff S. E. Roberts, pending a hearing in the juvenile court.

The boys ran away from home Monday night, hiding out in the brush until Wednesday, when urged by hunger they forced an entrance into the store. In addition to food however, they took a number of articles of clothing. "Before we broke into the store, we tried to roast a pine squirrel," young Collier explained, "but he tasted like a rat and we had to get a meal somewhere else."

Both youngsters were armed and the Bailey boy was ready to shoot when Mr. Griffin surprised them four miles out from Tumalo.

INDUSTRIAL CLUBS BEING ORGANIZED

(From Saturday's Daily.) Organization of industrial clubs in the rural districts of the county is progressing rapidly, County School Superintendent J. Alton Thompson reported today. Cooking, potato culture, and swine and poultry are being emphasized this year.

"It's your own fault if you get stung," says O'Connor

"Your own horse-sense ought to tell you what is the best value when a small chew of RealGravelly tastes so good, and lasts so much longer than a big chew of ordinary plug."

Good taste, smaller chew, longer life is what makes Genuine Gravelly cost less to chew than ordinary plug.

EASTERN FINANCIAL BACKING IS PLEDGED FOR CENTRAL OREGON

(From Friday's Daily.)

Most favorably impressed with the small part of Central Oregon's resources which he had been able to see in the course of two days spent in Deschutes and Crook counties, John M. Barbur, of the City National bank of New York city, left Bend this morning declaring that his report to the institution he represents would recommend substantial financial backing for the industries of this section, through local banks.

"My impressions of this vast country, in the limited time I have been here, are, of course, only superficial," Mr. Barbur said, "but I am nevertheless very well pleased with what I have seen. I like your country and I like your people. The way they shake hands and look you in the eye when they talk to you means that they have something real to offer. Their cards are face up on the table for anyone to see."

"I am particularly interested in your livestock industry and in your alfalfa and other crops which will be the means of increasing that in-

dustry. The growth of the livestock business cannot come all at once—it must be a steady and healthy gain. When this is the case, there will always be money available to aid the industry.

"With your livestock, your timber, your climate, your scenery, I believe that the development of this country is only started. I shouldn't forget your fish, by the way, and when I come out again this summer I intend to make the acquaintance of some of them."

Mr. Barbur visited the Bend mills, and declared that of many lumber plants he had seen there were none superior to the Shelvin-Hixon and Brooks-Scanlon mills either in equipment or in efficiency of planning and management.

Mr. Barbur will return to New York in June and has virtually decided that he will, at that time, accept an offer made him to represent the City National in the northwest. "In that case, I will be in Bend several times a year," he said. "I am really looking forward to it."

INVITATIONS TO BE SENT OUT FOR BIG AFFAIR TO BE GIVEN IN BEND ON EVE OF CATTLE AND HORSE RAISERS' MEET.

(From Tuesday's Daily.) Within the next few days invitations to every Elk in Crook, Jefferson, Deschutes and Lake counties will be sent out by the local members of the lodge, commanding each antlered one to be present in Bend on the evening of April 21. A banquet to be given by the members of the lodge in this city, and the fact that the affair will be made the occasion for putting over plans for a Central Oregon Elks lodge are the inducements.

The big banquet will be given at 8:30 o'clock, and it is expected that in the neighborhood of 150 will be present. The fact that the gathering is on the eve of the Oregon State Cattle and Horse Raisers' convention will add to the attendance, as many visiting Elks from other parts of the state will be on hand.

Members of the local committee in charge of organization plans are doing their utmost to speed up preliminary work necessary before a charter can be secured, and it is believed that communications now being
