Trained Nurse Now Testifies

Says She Feels Made Over Since Taking Tanlac--Gains Nine Pounds.

Mrs. F. O. Forrester, a trained nurse residing at the Grand Central Hotel, Denver, Colo., is but one of this high profession who have testified to the merits of Tanlac. Mrs. Forrester recently said:
 "I had been in miserable health seven years, suffering from indigestion. Everything I ate would sour and even cold water would cause me much distress. The pains in my chest and about my heart were almost unbearable at times and I suffered terribly from neuralgia. I would have vomiting spells daily and for three months couldn't retain a thing on my stomach but oatmeal. Often at night I would wake up feeling like I was smothering to death and would have to get up out of bed and stand on my feet awhile to get my breath.
 "One of my friends who knew of my awful condition and who had been benefited by Tanlac advised me to try it. I did so and my relief has been remarkable. Really, I feel like I have been made over again. I have already gained nine pounds in weight and intend to keep on taking Tanlac as long as it does me as much good as it is now."
 Tanlac is sold in Bend by the Owl Drug Co., in Sisters by Geo. F. Aitken, and in Bend by Horton Drug Co.—Adv.
