LOG CRUMBLES; ROAD SURVEYS SWIFT WATERS **CLAIM ANGLER**

DARING ATTEMPT AT RESCUE IN VAIN.

MOTHER IS A WITNESS

Soldier Brother of Herman H. White, with No Knowledge of Swimming, Dives Into Deschutes and Al-

most Saves Younger Boy.

(From Monday's Daily.)

Seventeen-year-old Herman H. White, son of Mrs. T. M. Hudson, living four miles worth of Bend on the Tumalo road, was lost in the Deschutes about 1 o'clock Sunday afternoon when the end of a decayed least three possible northern routes accompanied by ulcerations. The log on which he had climbed to fish according to Mr. Gould. One is infected surface and the inside of the middle of the stream gave way from Bend north, via Deschutes,, the the jaw should be painted twice daily beneath his weight. This them and a moment later the route may have some changes from mother saw her youngest son a hun- the present road to reduce the grades dred yards down the river, his hand and shorten the distance. extended as he made a last vain effort to grasp a projecting tree cated last summer by Mr. Gould via The older brother, almost by a miracle, regained the shore.

Sheriff S. E. Roberts left this morning for the scene of the tragedy, but up to late this afternoon the body had not been found.

The victim of Sunday's accident came to this section two and one-half years ago from California, and had lived in and near Bend for the greater part of the time since then. Besides his mother and the brother who was with him yesterday, he is survived by another brother, a member of the American expeditionary forces in France.

ATTEMPT TO FIND BODY.

(From Tuesday's Dally.) Fearing that officials who went out from Bend yesterday to search for the body of her son, Herman H. White, drowned Sunday afternoon the boy, besought Sheriff S. E. Rob- geles or San Diego, as he has inmiles north of Bend, yesterday.

After going carefully over the see him leave. ground, the officials decided that it would be useless to prolong their irrigation enterprise of this section, search, for the rapids, which begin he often had difficult conditions to near the old Stansborough dam, near | meet and many of the settlers could the point where young White lost his not fully understand the difficulties life, continue for a long distance under which he at times labored. down the river. That Professor Crosby, who has been detailed to make the geological survey of the Benham Falls reservoir site for the federal government, is expected to leave for the west next week is the information received by T. H. Foley, president of the Bend Commercial club, in a telegram from Director Davis, of the U. S. reclamation service, at Washington, D. C.

The fact that Professor Crosby MOTHER OF HERMAN H. WHITE, has not started earlier is accounted IN FEAR OF RIVER, BEGS OF- for by his being held in the east on special work for the war depart-FICIALS TO MAKE NO FURTHER ment. The telegram fails to state the time that the geological expert may be expected to arrive in Bend.

25,000.00 + + + + + + + + + + + + + + + DOG BITES CHILD; RABIES IS FEARED

(From Friday's Daily.) While playing at his home seven miles east of Bend yesterday, the little son of Mr. and Mrs. S. W. Leverett was attacked by a dog kept on the place and was bitten over the eye. The dog was immediately killed and the head sent to Portland for an examination of the brain for the traces of rabies.

The boy was brought to Bend for medical attention, and as yet no serious consequences have developed.
