### POWELL BUTTE MAN WEDS IN LOS ANGELES

POWELL BUTTE, July 15.—Married in Los Angeles, July 6, at the residence of Mr. and Mrs. Scarborough, the bride's cousin, George Hobbs of Powell Butte, Oregon, and Miss Jessie V. Hartley of Los Angeles. The groom was a well known and very popular bachelor of this vicinity, and the bride has, for several years been one of Crook county's most successful teachers. She has many friends over Central Oregon, where she has homesteaded and helped in all community life where she taught. The happy couple are at home on the groom's recently purchased irrigated property.

A few days since at his ranch at Powell Butte, C. A. Bussett was kicked and very seriously injured while trying to harness and hitch up a mule. George Shobert, his brother-in-law who was helping him, very narrowly escaped at the same time. At present Mr. Bussett is resting as comfortably as could be expected, but worries over the many things which need attention.

The rush of haying is on and everybody and his hired man is busy putting up hay. Some have full crews of men and some are short handed, and every man who shows up in the community who will work is pressed into service to save the crop.

D. A. Yates' team ran away a few days ago and smashed up the binder, tearing up their harness badly. Mr. Yates rolled off the seat and let them go as they had broken one line and he had no desire to travel farther with them.

Mrs. Lucy McLead and two daughters of Vancouver, Washington, have arrived for an extended visit with Mrs. Lead's mother, Mrs. Mary Brown, and her sisters, Mrs. E. A. Bussett and Mrs. George Shobert and families.
