As long as her father wanted her to assume the responsibility for his taxes by taking over his standard-gauge, four-track, warranted-in-first-class-condition railroad--

She'd be THE boss too! Nope! She's not a suffragette! Just a little girl with grown-up ideas.

Better than she was in "Battling Jane," "Boots" and "Peppy Polly." That's saying SOMETHING!

Ford Weekly Pathe News

A Garment for Every Woman at About The Price She Wants to Pay.

We are offering the above statement as a simple truth, mainly because many people appear to be on the verge of a panic regarding the high cost of wearing apparel.

And they forget that, unlike food supplies, wearing apparel is a very elastic term, covering endless grades of fineness.

Sugar is sugar.  
Potatoes are potatoes.  
Beans are beans.

And the prices of these food staples are almost standardized from day to day, varying slightly with the quality, and somewhat more with the policy of the food store selling the things.

But a woman's blouse isn't merely a woman's blouse. Nor is a suit only a suit. Nor a coat a coat.

A woman's suit may be a plain serge at \$35.00 or of a fine material costing several dollars a yard selling at \$75.00.

And between these two extremes are suits at prices to please almost any woman.

Come in today and you'll find at this store the biggest and best line of Ready-to-Wear in Bend.

#### LIBERTY.

In "Putting It Over" his new Paramount picture which will be

shown at the Liberty theater Friday, Saturday, Bryant Washburn, the popular young star, again dons the rube checkered suit and plays the part of Buddy, a country boy, who was clever despite the fact that he was born and reared outside of a big city.

This particular young chap's hobby was amusing himself at the expense of his townspeople by playing practical jokes on them and getting them into all kinds of peculiar situations, much to their embarrassment.

But he runs out of material in his home town and repairs to the city in search of more, and incidentally, to make his fortune. There, he obtains work as a soda clerk. He makes the grand mistake of his life when, to make an

Impression on a beautiful young woman he has just met, he tells her he makes fifty a week, proposes marriage to her and is accepted.

But his landlady has a daughter who likes him, who when she hears of his new love, goes to her mother with a wail. The landlady locks Buddy out of his room and tells him he can't come in until he pays up his back rent. To further add to his misery, he is suddenly "laid off" by his boss.

But Buddy is equal to the situation and conceives a plan to gain a good winter business for his employer, puts his plan through and

gets a good contract and fifty dollars in advance for his services. A wedding now takes place and all ends happily. Shirley Mason is leading woman.

The popularity of Dorothy Gish with screen fans was emphatically demonstrated by her reception in her latest Paramount comedy, "I'll Get Him Yet," at the Liberty theater Sunday and Monday. The potplay is a charming one in every respect and provides Miss Gish with one of the best roles in which she has been seen this season. The picture must be seen to be fully appreciated.
