# Sonora

CLEAR AS A BELL

## Supreme in Tone!

**EXAMINE** the Sonora critically. Study the long-running motor, the tone control at the sound source, the convenient envelope filing system, the universal tube for playing all makes of disc records *perfectly* without extra attachments, the improved sound box, the matchless curved design lines of the cabinet, etc., and you'll see why Sonora is unequalled.

Above all, Sonora's tone quality is what has made it famous, and for this it received the highest score at the Panama-Pacific Exposition.
