Never Expects to Be Without It

"There's Nothing As Good As Tan-lac," Says Portland Man—Gains Twenty Five Pounds.

"In all my long experience I have never found anything as good as Tan-lac when it comes to relieving suffering," said J. A. Neisz, a well known employee of the Pacific Car and Foundry Co., and who lives at 14 East 56th street, North Portland, Ore., the other day.

"My troubles began about three years ago," continued Mr. Neisz, "and I have been having a tough time of it ever since—that is, until I commenced taking Tan-lac. I had rheumatism in my arms and back, and I suffered almost constantly during all that time. Of course there were times when this trouble was worse than at others, but I can truthfully say that there was hardly ever a time when I was not conscious of pain to some extent. My arms were so stiff and sore at times that I couldn't raise my hands to my head. Besides what I spent for treatment and medicine, the time I lost from my work on account of this rheumatism amounted to over four hundred dollars in salary. I couldn't sleep much, and just gradually went down hill until I had lost in weight from one hundred and thirty-five to one hundred and ten pounds, and was so weak and run down that I could hardly get about at all."

"A friend of mine who had been suffering from this same kind of trouble, told me that Tan-lac was the only thing that had ever done him any good, and advised me to give it a trial. Well, to make a long story short, I have just finished my sixth bottle of Tan-lac, and I am as free from suffering in every way, and am as well and strong as I ever was in my life. I weight one hundred and thirty-five pounds now, which means that I have gotten back all I lost in weight. I have regained all my strength and can do as much work as I could fifteen years ago. All that soreness and stiffness has gone from my arms and I can raise my hands above my head without the least trouble. Yes, sir, Tan-lac has been a godsend to me, and I never lose an opportunity to recommend it to others. I am buying another bottle to take home with me today, for I never expect to be without it."

Tan-lac is sold in Bend by Owl Drug Co., in Sisters by Geo. F. Altken, and in Bend by Horton Drug Co.—Adv.
