## BOY VETERAN IS DECORATED

SON OF I. V. McADOO OF BEND ENLISTED IN CANADIAN ARMY WHEN ONLY 14—WAS CAPTURED, BUT MADE ESCAPE.

After two years service in the Canadian army, William F. McAdoo, son of I. V. McAdoo, of this city, has arrived in Bend and will make his home here with his parents. Although he participated in some of the hottest fighting on the western front, the Canadian-American veteran is little more than 16 years of age, enlisting in Portland when 14 and a half years old after he had been refused for all American branches because of his youth.

Young McAdoo was wounded 11 times in action, and his discharge papers show that he is entitled to British decorations for valor. For one day he was a prisoner of war, but as his two captors started back for their own lines at nightfall, he made his escape and returned to the Canadian trenches after he had been marked as missing in action.

Patricia Ryan, whose engagement to James Clifford, of this city was recently announced.

L. S. Rickard, a frequent visitor in Bend during the past winter, has moved to this city from Portland, where he has been connected with music houses as a piano tuner, regulator, and repairer. He will engage in the same business in Bend, and will make his headquarters at Logan's on Wall street.

## CALL MANY TO FIGHT FLAMES

PRINGLE BUTTE FIRE UNUSUALLY LARGE FOR SO LATE IN SEASON—VALUABLE PINE INCLUDED IN DANGER ZONE.

That the Pringle Butte timber fire had reached proportions unusually large for a forest blaze at this time of the year, was the word received in Bend on Thursday, when a phone report to Deschutes National Forest headquarters asked that more men be sent out to fight the flames. Men were secured in addition from La Pine, and Crescent, while the East Lake road crew was also sent to join the fire fighters. No further report had been received on Friday.

The area in which the fire is burning contains some of the best young yellow pine in the Deschutes National Forest, and there is in addition, a considerable percentage of sugar pine. Fire fighting is made especially difficult by the rank growth of manzanita.

People of Little Worth. The truth and rapture of man are holy things, not lightly to be scorned. A carelessness of life and beauty marks the glutton, the idler, and the fool in their deadly path across history.—John Muscfield.

Wesleyan College the Oldest. Wesleyan college at Macon, Ga., was founded in 1836, and is therefore older than Elmira college, chartered in 1852. It is the oldest woman's college in the United States.

## Tiny Tot Style Tips for Mother

Nothing perhaps interests mother more at this season than fall and winter frock styles for the little miss. Golden Hair on the left is wearing a green linen and organdy dress which if even in navy and plaid serge would still be just as dainty. The little tot wears a party dress of French blue challis with silk yoke and sash embroidered in wool. And on the right, that coat—almost as hairy as fur and with a collar of raccoon. The hat is embroidered brown velvet and the coat silk lined.
