"More Good Than All of The Rest"

This Is What Farmer Says Of Tanlac—Gains Fifteen Pounds Had Suffered 25 Years.

"You may know that Tanlac is doing me a lot of good or I wouldn't have come nearly twenty miles to get these three bottles I am buying now," said Samuel Bacon, a well known and prosperous farmer who lives at Borling, Oregon while in the Owl Drug store in Portland the other day.

"I have been trying for twenty five long years to find a medicine or treatment that would overcome my troubles," he continued, "and Tanlac is the only thing that has ever done me any good at all. During all these years I suffered terribly from rheumatism in my back, and there were times when I was in such bad condition that I couldn't turn over in bed, and after sitting down for a little while I could hardly get up again. My kidneys bothered me a great deal, too, and I would often have to get up four or five times during the night and the pains in my back were so severe that I rarely ever got any sleep. My appetite was very poor, and what little I did force myself to eat would give me indigestion in the worst way. I lost a lot in weight and finally got so weak and rundown that I could hardly walk or stand on my feet.

"Then I heard about Tanlac through my daughter who had been greatly benefited by taking it. In fact, she was so pleased with Tanlac that she bought me a bottle of it and told me that she thought it was the very thing I needed. Well, sir, I began to feel stronger and better in every way before I had finished that first bottle. I have taken three bottles so far, and I eat so much that I actually get ashamed of myself sometimes. What I eat agrees with me, too, and I never have a sign of indigestion now. I have gained fifteen pounds in weight, and feel like a different man altogether. The pains have left my back, and my kidneys seem to be in first class condition, and I never have to get up during the night any more. I am also free from rheumatism and in fact, I feel better in every way than I have for many years. I tell you, this Tanlac is a good medicine, and has done me more good than all the rest of the medicine put together I have taken during the last twenty-five years, and I think that is saying a good deal."

Tanlac is sold in Bend by Owl Drug Co., in Sisters by Geo. F. Aiken, and in Bead by Horton Drug Co.—Adv.
