HIGH SCHOOL GIRLS GIVE ANNUAL JINX

Successful Party Held in Redmond Gymnasium—Last Car of Sulphur Is Received.

REDMOND, Nov. 5.—Last night the girls of the high school gave their annual High Jinx. Mothers and friends of the school were invited, and a crowd of around fifty assembled at the "gym." Although the affair was strictly feminine, quite a number of boys, apparently, were in appearance. However, it did not take long to find in these "boys" many of the girls of high school. One of the most interesting and entertaining "stunts" of the evening was "Tony" the Italian with his monkey, the parts were taken by Helen Smith as Tony and Louis Olson as the "monk." A program was given by

the different classes and a few individual stunts, one of which was the Hawaiian stunts as given at the Potato Show here. After the program the audience was formed into a line and led through the "chamber of horrors." Then several games were played and fortunes were told by an old gypsy. Around the hour of eleven refreshments consisting of apples, doughnuts and cider were served.

Our football team again met defeat last Saturday, when they met the Prineville team at Prineville. One item which perhaps contributed to this defeat was the fact that one of our best players, Ralph Gillette, had the misfortune to break his arm while cranking a car before the game. The score was something like 71 to nothing, but our boys still have hopes of a comeback at the return game. In the evening, after their return to Redmond, the boys gave a stag party in the "gym."

Several games were played and delicious refreshments were served by the hostess and Miss Kelly, and everyone voted it a most enjoyable evening.

Mrs. J. J. Jones Was Poisoned

Was In Serious Condition And Lost 25 Pounds—Tanlac Built Her Up.

"I can truthfully say I don't believe I would ever have recovered if it hadn't been for Tanlac," was the statement made the other day by Mrs. J. J. Jones of 9316 Forty-fifth street, Southwest, Seattle, Wash., when she called at Bartell's Drug Store to get her fourth bottle of the medicine.

"One day I was eating in a restaurant down town," continued Mrs. Jones, "and I was taken severely ill with ptomaine poison. I was so sick I had to be taken to my bed at once. I got worse rapidly and in just a short time I lost twenty-five pounds in weight. My appetite left me, and nearly everything I ate caused me great suffering by giving me terrible pains in my stomach. I couldn't sleep at all and at times I lay awake for hours and hours. I tried every kind of medicine I knew, but nothing seemed to do me any good. I was growing weaker and getting worse and worse each day.

"Finally I was advised to get something that would build up my system and I immediately thought of Tanlac for I had noticed about it in the paper. And, Oh, I'll never forget it—the very first bottle helped me wonderfully and I've been improving rapidly ever since. I've taken three bottles now, and it's the actual truth, I never felt better in my life. I've gained thirteen pounds, eat anything I want and feel better and stronger in every way. Those awful pains I use to have in my stomach have entirely gone. I sleep sound at night and get up early every morning feeling fine. I live quite a distant from the shopping district, and today when I left to come to town and shop, my husband said: 'Don't forget your fine medicine,' and the first thing I did was to come here and get it. My blood has been purified and I feel like another woman. Tanlac is the most wonderful thing of its kind in the world, and I tell all my friends and neighbors that it saved me."

Tanlac is sold in Bend by Owl Drug Co., in Sisters by Geo. F. Aitken, and in Bend by Horton Drug Co.—Adv.
