Some of the Christmas articles were also sold. After the day's work was over the ladies decided to continue their sale on Saturday, both afternoon and evening. Lunch will also be served.

REACTION FROM COLD IS NOTED

RANGE IN FOUR DAYS 67 DEGREES.

Snow Sinks Quickly As Thaw Sets In, But Thick Ice In Pond Still Keeps Band Saws Idle.

Now that a new record for cold has been set in Bend, the weather man is engineering a direct change, and Tuesday, four days after 25 degrees below was registered here, the mercury stood at 42 degrees, a most unusual temperature range. A decided thaw has set in, and a warm wind which continues to settle the snow rapidly.

While the cold snap is apparently

COMMITTEE.

FAVOR COMPROMISE ON PEACE TREATY

Preference for compromise on reservations, with immediate ratification of the peace treaty and the league of nations covenant, is evinced in votes which have been turned in to The Bulletin on the peace treaty ballot which was printed in the Saturday and Monday issues. In addition to the votes supporting this manner of settling the Senate deadlock, one favored ratification, but only with all the Lodge reservations, one was for ratification without any reservations, and one opposed ratification in any form.

at the Shevlin-Hixon plant, while at the Brooks-Scanlon mill, repairs will keep the bands idle for much longer.

Roads throughout the county are for the most part passable today, County Judge W. D. Barnes reported.

Eight Children Had Croup.

"I have eight children and give Foley's Honey and Tar to all of them," writes Mrs. P. Rehkamp, 2404 Herman St., Covington, Ky.; "they all were subject to croup." It loosens mucus and phlegm, stops that strangling cough, makes easy breathing possible and permits quiet sleep. Contains no opiates. Children like it.—Sold Everywhere.
