

CHEAP POWER BIG RESOURCE

ALTERNATIVE IS SEEN AT BENHAM FALLS

Irrigation, Aviation, Golf, elections, and State Chamber Discussed at Last Meeting of Commercial Club.

If speedy action cannot be had in the development of Benham Falls for purpose of irrigation, a determined campaign should be made to interest eastern industry in the opportunity offered by the quantity of cheap power in the Deschutes river. This was the declaration made Wednesday by C. S. Hudson at the weekly meeting of the Bend Commercial club, after he had urged that a committee from Bend make a special effort at the coming state irrigation Congress, to elect the president from Central Oregon. The committee named to have this work in charge consists of Mr. Hudson, H. H. De Armond, and R. B. Gould. Mr. Hudson advised that the delegation from Central Oregon be made the biggest on record.

Responding to the resolutions of appreciation recently voted by the club in connection with the proposed gift of the Shevlin Memorial Park by The Shevlin-Hixon Company, a letter from F. P. Hixon, of La Crosse, Wisconsin, was read. "I beg to acknowledge the receipt of your favor enclosing copy of resolutions commending The Shevlin-Hixon Company plans for a memorial park, and its conservation policy." Mr. Hixon wrote: "It is very gratifying indeed to have such appreciation of acts, which of themselves, give so much pleasure in the doing. We highly appreciate, and hope to continue to merit, the friendly sentiment of the community towards our operation, which has remained undisturbed since its inception."

RIPPLING RHYMES

Snow.

A lot of snow came down last night; it's lying round me as I write, in ghastly drift and heap; it's in the alleys and the mews, it's everywhere, for men to use—the only thing that's cheap. If snow would make the furnace hot, and heat the house, 'twould hit the spot, and spoil a lot of grief; alas, it isn't worth a dern; in vain we've tried to make it burn, so we rear up and beef. How it would soothe the anguished soul, if there should be a fall of coal, or wood in proper 'size! 'Twould make the outlook far more bright to have a shower of anthracite from these forbidding skies. We long to see the fireplace glow, and so we get a raft of snow that will not even smoke; and so we sit around and freeze and say that life's one long disease, that's ceased to be a joke. My hands are frozen on my lyre, there is no coal, there is no fire, and knife-edge tempests blow; I look around for stuff to burn for egg or nut or lump I yearn—and get a foot of snow. The snow lies deep on dale and dell; I have a thousand tons to sell, but no one wants to buy; men want it not, but they'd go broke to get a cord of elm or oak from yonder lowering sky.

Wants Golf Links.

Discussion of plans for a landing field for aviators, was brought up by a letter from the Aero club regarding the sending of an expert to look over possible fields in this section. It was decided that due to present weather conditions, it would be inadvisable to ask for such a survey until later in the season. The request of C. S. Hudson that the possibility of combining a golf links with the landing field be considered, was referred to the landing field committee.

At the next meeting of the club, annual election of officers will be the chief order of business, and President Foley urges a large attendance.

in order that the selections made may be truly representative of the wishes of the club.

Rebate on Dues Advised.
A request for information from Judge J. T. Rorick, of The Dalles, who will speak at the coming session of the State Chamber of Commerce next week, on "The Needs of Central Oregon," was referred to R. A. Ward. H. J. Overturf expressed the desire that a rebate from the dues paid into the state chamber from this community, be sought, declaring that 10 per cent of the organization's entire dues had come from Deschutes county. J. P. Keyes voiced his approval of the county court's action in eliminating the \$1,000 appropriation for the State Chamber, from the county budget, and moved that a committee be appointed to designate a candidate for director from this district. The motion carried without opposition.

Not Well-Not Sick.

When the kidneys fail to cleanse the blood of impurities the whole system is affected. The result may be a half-sick condition—not well enough to work, not sick enough for bed—rheumatic pains, backache, lameness. Foley Kidney Pills heal and strengthen disordered kidneys and help them do their work.
