You Can't Fool the Mothers.

No one remedy would stand as a lead for so many years as has Foley's Honey and Tar if it could not be depended upon to relieve coughs, colds, and croup. It heals and soothes, eases hoarseness, stops that coughing that strains the whole body and breaks colds and coughs. Children like it. Contains no opiates.

Silos and Sunflowers

ARE essential for the economical feeding of live stock. SILOS have proven their worth wherever used. Ask the man who owns one.

Sunflowers for silage promise to be a cheap, nutritious feed and a heavy yielder. They produced 15 to 25 tons per acre in Deschutes county last year.

Now is the time to plan the SILO-SUNFLOWER combination for next year. LET US HELP YOU. We can give you literature and information on silo building and sunflower cultivation.

We have a small supply of sunflower seed for distribution on which the Agricultural College gives a germination test of 98 per cent.
