STOLEN CAR FOUND WITHIN BRIEF TIME

Less than 24 hours after the automobile belonging to H. H. DeArmond was taken from in front of the O'Kane building late at night, the machine was seen yesterday afternoon by Mrs. L. M. Foss, to the rear of the stone building being erected at the corner of Harriman and Greenwood. Mr. DeArmond was immediately notified. With the exception of a broken spring, the machine was undamaged, and had apparently been driven only a short distance, as part of the five gallons of gasoline with which the car was equipped when stolen, still remained in the tank. No clew to the identity of the thief or thieves has been found by the authorities.

The high cost of deliveries is really a myth--

Lots of people have been telling you that all grocery deliveries are expensive. That they greatly increase the cost of your food.

That you ought to save this cost by carrying your groceries home.

On the contrary our customers find our delivery system really economical.

It doesn't add to the cost of their groceries and provisions.

It saves their time and energy--which they can more profitably devote to their homes or to various outside interests.

PREDATORY ANIMALS YIELD MANY PELTS

\$740 in Bounties Paid During January -- Furs of High Grade Taken by Trappers in County.

Pelts of predatory animals taken in Deschutes county and presented at the office of the county clerk, netted trappers \$740 in bounties during the month of January. Two hundred and twenty-seven pelts were brought in, 190 of these being taken from coyotes, and the remainder from bobcats. Because of the severity of the early winter, all furs were prime with unusually long hair, and at prevailing quotations would be worth in the neighborhood of \$5,000, in addition to the bounties paid.
