## Dry Goods, Shoes, Groceries

## Men's and Ladies' Furnishings

### SALE BEGINS MAY 5 AND CONTINUES ONE WEEK

Our fiscal year ends May 31, 1920, and in reducing our stock for that time we are offering to the public many unusual bargains, in face of the extraordinary prices and difficulty to obtain merchandise. This sale offers to every man and woman a big opportunity to make timely savings on every day used articles, and now-a-days that is what we are looking for. Our regular prices are always low, so the sale prices we offer make it doubly to your advantage to buy during this Pre-Inventory Sale--May 5 to 12.
