

AMERICAN LEGION'S PURPOSE IN RAISING FUNDS EXPLAINED

"What are you going to do with the money you raise from the carnival you expect to give July 19 to 24," is a question frequently asked now of members of the local post of the American Legion. Many are of the impression that the post will use these funds for the furtherance of its own pleasures. That is true, if furtherance of its own pleasures extends to assisting ex-service men who are in need of help, cooperating with the Bend chapter of the Red Cross in many of its enterprises, and raising funds now and then to assist the Salvation Army in its home service work.

Almost every month the Percy A. Stevens post of the American Legion is called upon to give financial assistance, either to individuals, or organizations who have the interests of former service men at heart. Each year these demands will be greater and, rather than go to the public for contributions, the post has conceived the plan of a mid-summer outdoor carnival. The post is averse to the use of the name of the American Legion for any purpose which has not in some activity of worth either to

its members or to former service men who are non-members. The post, realizing its responsibility, will do everything to aid them and cooperate with government, civic and private organizations working to benefit the ex-service man.

The carnival, under Foley & Burk, which will open a week from Monday night here for six days, has given the Percy A. Stevens post an unusual contract. The post hopes during that week to raise \$2000, to be used to assist the men formerly in the service where such calls are found to be worthy. The committee in charge of the affair has the guarantee of the management of the carnival company that it is clean in every detail and that, if there is any feature that does not meet with the unqualified approval either of city officials or members of the committee, that that feature will be promptly eliminated.

There have not been any outdoor features in the city this year and the Happyland, the name given to the occasion, will afford a week's diversion to the people of Bend and Central Oregon.

BEND GARAGE MEN GET NEW QUARTERS

Cent-Ore Motor Co. Now on Greenwood, and Pioneer Garage on Irving—Royce Praises Firemen

Auto dealers who were burned out in Tuesday night's disastrous fire, were already established in new quarters this morning, just one day after the conflagration. The Cent-Ore Motor Co. established its headquarters in the Walther-Williams auto rooms on Greenwood, and the Pioneer garage is doing business in the stone garage building on Irving, formerly used as its machine shop and show room for new cars. E. P. Jech of the Cent-Ore Motor Co. stated that his firm hoped to be in permanent quarters within 60 days.

H. S. Royce of the Pioneer garage, one of the heaviest losers from the fire, spoke highly today of the work of the Bend volunteer department, mentioning particularly the spirit of sacrifice and disregard of personal risk shown by the fire fighters. "I have nothing but praise for the work of Fire Chief Carlon, Engineer Stev-

ens and the members of the department, as well as citizens, not members, who assisted," he said.

Mr. Royce declared that, while he had seen many paid city departments in action, he had never noted a greater degree of efficiency than that attained by the Bend organization.

Catarrrhal Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrrhal Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts through the Blood on the Mucous Surfaces of the System. Catarrrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of deafness are caused by Catarrh, which is an inflamed condition of the Mucous Surfaces.

ONE HUNDRED DOLLARS for any case of Catarrhal Deafness that cannot be cured by HALL'S CATARRH MEDICINE.
