## MILLS TENDER LARGE BONUS TO EMPLOYEES

EXTRA PAY AMOUNTS  
TO \$47,400

FIVE PER CENT GIVEN

Continued Service Appreciated By  
Pine Milling Companies—1214  
Included in Distribution—  
Spirit of Cooperation Seen

Employees of The Shevlin-Hixon Company and the Brooks-Scanlon Lumber company who were on the payrolls of the two corporations during the first six months of the present year, have received \$47,400 in bonuses, representing 5 per cent of their earnings during that period. Seven hundred and four men and women in the employ of The Shevlin-Hixon Company received \$30,000 additional pay, while \$17,400 was distributed among 510 employees by the Brooks-Scanlon Lumber company.

Letters accompanying each individual bonus explained that the extra pay is a token of appreciation of the continued service of the employee. They are reprinted as follows:

**Letters Accompanying Gifts.**  
"To the employee receiving this check: This check is intended as a bonus of 5 per cent on all you earned in our service in the first half of this year. A similar 5 per cent bonus is given each one of our employees who worked during the same period and who continued in our service to the 15th of this month.

"It is given to express our appreciation of your continued and faithful service, and we hope it will increase the spirit of good will and cooperation which now exists between us.

**"Brooks-Scanlon Lumber Co." Would Reduce Accidents**

"To our employees: "We are pleased to announce a bonus of 5 per cent of the wages earned the first six months of 1920 by those in our employ on this date. We herewith enclose check, which is an acknowledgement of our appreciation of your faithful and efficient service during that period. There is no other motive except to reward continuous service and have you feel that when opportunity presents we are only too glad to do something which will make you feel your best interests lie in staying with your present position.

"We take this occasion to ask for further suggestions to make our relations more cordial. We shall be glad to arrange premiums for suggestions that are adopted in welfare work, safety work, or greater satisfaction in your employment.

"May we ask for greater co-opera-

tion in lessening accidents, as we note our accident list is growing. We are willing to do more than our part, but each and every one must help, and we greatly prefer caution than taking a chance.

"With best wishes and hopes for a continuance of the fine feeling prevailing among us all, we are  
"The Shevlin-Hixon Company."

### WEIGHT LIMITS WILL BE CLOSELY WATCHED

Portland Manager Has Eye on Duffy Knorr—Howard Has Long String of Knockouts To His Credit.

Insistent that Duffy Knorr, who will meet Jimmie Lewis, of Los Angeles, in the curtain raiser at the Labor Day smoker here, must make 125 pounds, M. C. Hill, of Portland, who has Lewis as a member of his long string of fighters, has written Matchmaker E. C. Brick, stating that his own protege will weigh in at 124 pounds or less. Lewis and Knorr are signed for six rounds.

Frankie Howard, clever 115 pound scrapper, who meets Kid Taylor, of Bend, in the 10 round main event, received his training in the Chicago ring, and has a formidable string of favorable newspaper clippings, a majority of which tell of knockout victories added to his credit. Taylor, who will also weigh in at 118 pounds, has proved a tough boy for imported scrappers to handle, but it is freely predicted that he will have the time of his young life when he swaps punches with the Chicago lad.

Greek George, of Bend, will fight at 120 pounds, against Nipper Davis, of Sacramento, a 122 pound scrapper. The bout will be for six rounds.

### BOY OF 13 CROSSES CONTINENT ALONE

Traveling alone from Philadelphia, 13-year-old Robert C. Smith, Jr., son of Naval Recruiting Officer Smith of this city, reached Bend on Monday. The boy informed his father that Sunday night was the first time he had slept in a real bed since leaving boarding school in Philadelphia on August 25.

Unable to get a berth in his cross-country trip, the boy dozed in his seat when night came. An acquaintance, made on the train, took him to her home in The Dalles over night, and it was also there that young Smith got his first real meal on the journey. Too shy to enter the dining car, he had satisfied his hunger by frequent demands on the peanut "butcher."

On the last lap of his trip to Bend the boy had another experience awaiting him, for falling stones blocked the track and shook the train and the youngster confessed afterward that he looked for the end of the world right then.

Put it in The Bulletin.

## FLOWER SHOW AWARDS ARE MADE BY JUDGES; EXHIBITS NEXT YEAR TO BE LARGER

Complete awards for winners of prizes at the Flow and Vegetable show held last week under the auspices of the Women's Civic Improvement league, were announced after the findings of the judges were made. The show was well attended and a good surplus from the sale of plants and refreshments is on hand to go into the fund for next year's exhibit. It was stated that, because of the greater number of varieties of flowers which were entered, it will be necessary to make out a new classification of certain flowers in preparation for the 1921 flower show. Visitors were especially well pleased with the exhibits of roses and dahlias, the committees in charge reported.

A general distribution of printed rules next year will be made, it has been decided, as many exhibitors failed to familiarize themselves with the regulations governing the show before entering plants and flowers.

During the afternoon and evening of the show special attention was drawn to the display winning the Emblem club cup. In consisted of an attractive arrangement of pink hollyhocks and other flowers and called forth much favorable comment. The exhibit winning the Commercial club cup showed 15 varieties of flowers.

Committees in charge of the show were: Management—Mrs. L. W. Gatchell, Mrs. H. H. Lamping, Mrs. C. A. O'Brien, Single entry—Mrs. C. S. Hudson, Mrs. H. D. Norton, Mrs. Ward Coble, Mary Ellen King. Collection and bunches—Mrs. E. D. Gillson. General display—Mrs. Charles Hayes. Vegetables—Mrs. J. F. Arnold, Mrs. A. Leasing, Selling—Mrs. Charles Niswonger, Mrs. Jay Noble, Mrs. C. J. Leavett, Mrs. J. J. Clapp, Mrs. Horace Richards, Mrs. Frank Toomey. Reception—Mrs. Manny, Mrs. E. O. Stadter, Mrs. E. D. Wilson, Mrs. T. H. Foley, Mrs. J. M. Lawrence, Mrs. C. W. Hayes, Mrs. Frank Prince, Mrs. H. K. Brooks, Mrs. H. J. Overturf, Mrs. J. P. Keyes, Mrs. A. F. Larson, Mrs. T. A. McCann. Registrars—Mrs. Ralph Spencer, Mrs. W. A. Grant. Judges—W. D. Barnes, D. L. Jamison, Mrs. M. Williams, Mrs. Charles Stansborough, Mrs. J. H. Hosh of Redmond, Mrs. M. Kooney.

Winners are announced as follows, names of competitors being given in the order of placing:

Feverfew—Miss Coleman.  
Centaurea—Mrs. Mannheimer, Mrs. Cook.  
Potted Plants.  
Begonia—Neil Crafton.  
Texas star plant—Mrs. H. C. Ellis.  
Fuschia—Single, Mrs. Davidson.  
Vegetables.  
Best collection grown with irriga-

### PARADE TO FEATURE LABOR DAY IN BEND

Basket Dinner To Be Served At City Park With Program of Sports For the Afternoon.

Although there is still the possibility of slight changes before Monday, the Labor Day program for Bend is virtually completed and is made public by the committee in charge.

Under the direction of D. D. Holgate, marshal of the day, the various units of the parade will assemble at the railroad viaduct on Greenwood, the march starting at 10 o'clock in the morning. A band, formed for the occasion, will lead the parade, which will be composed of the following unions: Fire fighters, masons, bricklayers and plasterers, carpenters, painters, culinary alliance, barbers, printers, timberworkers, retail clerks, electrical workers, machinists, hod carriers, building and common laborers, laundry workers.

The line of march will end at the city park, where speaking and a basket dinner will immediately follow. A sports program is scheduled for the afternoon. The list of speakers includes Rev. E. B. Johnson of the Baptist church, Rev. J. Edgar Purdy of the Methodist church and Rev. H. C. Hartman of the Presbyterian church.

In the evening the boxing commission smoker will be staged at the gymnasium and, immediately following, a dance at the Hippodrome.

### DRY WINDS THREATEN MORE FOREST FIRES

Deschutes Supervisor Warns Hunters Leaving For Mountains To Take Especial Precautions.

Just as the hunting season starts, greatly increasing the number of campers in the timber, hot weather, with gusty, drying northeasterly winds, is due for the next three or four days, according to a forecast received at the offices of the Deschutes National forest.

Danger from forest fires is greatly increased, Supervisor Plumb declares, and emphasizes the need for hunters to use especial care in extinguishing campfires and guarding against starting fires by throwing away lighted matches or cigarettes.

### GOVERNOR COMMENTS ACTION OF POLICE

Letter from Olcott to Mayor Eastes Supports Course Taken in Case of Madras Girl.

Appreciation of the course taken by city authorities in the case of Miss S. D. Wolf of Madras was expressed by Governor Olcott in a letter to Mayor J. A. Eastes, received at the mayor's office Wednesday. "Your efforts merit commendation rather than criticism from her," the governor wrote.

Miss Wolf's complaint, which was sent to Governor Olcott's office recently, charged that she had been forbidden to wear male attire in the city of Bend, and that her revolver had been taken from her by the police.

tion, Mrs. Lyman.  
Corn—Mrs. Neff.

Calendula—Gene Beach.  
Best artistic arrangement of pansies—Mary Ellen Foley.

### AIRCRAFT COMPANY PLANE MAKES TEST

Piloted by V. M. Rechtsteiner and carrying in addition W. B. Randall, mechanic, and George Love of Bend, the first plane of the recently organized Bend Aircraft corporation landed at Knotts field shortly before 4 o'clock Monday afternoon, completing a 350-mile flight from La Grande. Mr. Randall was accompanied by his wife as far as the Wasco county seat, where his plane was taken by Mr. Love, who is local manager for the company.

The flight from The Dalles to Bend took just one hour and 50 minutes, but even this time could be shortened somewhat, as the pilot, being unfamiliar with the course, was compelled to go over a longer distance than would otherwise have been necessary in order to keep prominent landmarks in view.

Tuesday the plane circled about the city for nearly half an hour and Manager Love announced that hereafter daily demonstration flights will be made.

A second plane is expected in within the near future.

### NEW ORGANIZATION COMMERCIAL CLUB

(Continued from page 1.)

Birdsall's motion followed.

Complaining that 13 farmers between Bend and Deschutes, members of a rural telephone company, had brought their line into Bend, but could not obtain a place on the Pacific States switchboard here, Director Koizman of the rural line appeared before the club. J. L. Galtner, local telephone manager, stated that there has been no place on the switchboard for such a connection, that the company is now negotiating for the lease of a building with more room, and that he hoped to be able to go through with the desired improvements in service within 60 days.

Mr. Galtner was severely criticised by H. J. Overturf for his failure to obtain a lease before now. In reply Mr. Galtner stated that the company's income is limited by the action of the public service commission in refusing an advance in rates and that in consequence its activities had been delayed.

R. A. Ward closed the discussion by moving that a committee be appointed to extend assistance in every way possible to the rural telephone users. The motion carried.

### CLASSIFIED ADVERTISEMENTS
