MANNHEIMER BROTHERS

HOLD SERVICES FOR MRS. D. H. PEOPLES

Funeral services for the late Mrs. Don H. Peoples were held Saturday at the Methodist church, with many friends in attendance. Rev. J. Edgar Purdy directed the services, while the Order of the Eastern Star, to which Mrs. Peoples belonged, had charge of the music and of the ceremonies at the cemetery.

The pall bearers, all intimate friends of Mr. Peoples, were: W. R. Speck, L. M. Foss, Worth Evans, J. L. Gaither, R. S. Hamilton and D. G. McPherson.

Mrs. Peoples, who was 33 years old in October, was the daughter of Mr. and Mrs. H. C. Yaw of Iowa Falls, Iowa, and, besides her parents, leaves several brothers now living in Iowa. She was married December 29, 1913, at Alexander, Iowa, and two children have been born of the union, Arline, aged 6 years and Betty, aged 14

months. Mr. and Mrs. Peoples had lived in Bend for the past three years, coming here from Prineville, where Mr. Peoples was engaged in the abstract business. She was a member of the Order of the Eastern Star and had a wide circle of friends. Mr. Peoples' parents, Mr. and Mrs. W. T. Peoples, arrived from their home in Nevada to be with their son last evening.

Easily Tested.

It is said that the perfume of flowers disappears as soon as the starch in the petals is exhausted. It may, it is said, be restored by placing the flower in a solution of sugar, when the formation of starch and the emission of fragrance will be at once resumed.

Big Crop of the Woodlot.

Woodlots yield to the farmers something like \$195,000,000 in a single year, says the American Forestry Magazine, but they might, with systematic management and care, produce several times that much.
