The Story of The Christmas Tree

Year after year sees the story repeated—The pines, cut on the snow-clad hills, felled by ringing axes, hauled merrily home to the music of Yuletide sleighbells, soon to blossom out with shining candles and dazzling tinsel—and then, after a few days, stripped of their holiday fruit and tossed aside.

So with many—too many—of the gifts they bear—flimsy knickknacks, carelessly chosen, to perish with the forgotten tree. Such Christmas gifts are not worthy of the name.

In selecting pictures of gifts to illustrate this pictorial story of the Christmas tree, we have chosen carefully from the most popular and beautiful models of these worthy, enduring gifts—Watches, Diamonds set in Rings, Bar Pins, Brooches, Gentlemen's Scarf Pins, Ladies' La Vallieres, Sheffield Silver, Clocks of all kinds, and numerous other useful gifts,—Gifts that last!

BLAZING FARMHOUSE SAVED BY NEIGHBORS

POWELL BUTTE, Dec. 7.—While about his evening chores, not long since, E. A. Bussett noticed that the home of his neighbor, Mr. Bushnell, was on fire and quite a blaze was plainly to be seen. Mr. Bussett, Lloyd and Mrs. Bussett jumped in their car, with buckets and blankets, and when they arrive to fight the fire, Mr. Bushnell and family had not yet discovered it. With the aid of a ladder and an axe, the fire was soon extinguished and what otherwise would have been a disastrous fire was prevented by the prompt action of kind neighbors.

Dominic Verges lost several sheep last week and some believe that neighborhood dogs are to blame. It is possible, also, that coyotes are the destroyers, as many have been seen in this section. Mrs. George Whitsett lost some fine turkeys recently and they report that a coyote got them. However, a wholesale scattering of poison has resulted in the loss of several valuable dogs.

Mr. and Mrs. Bert Reynolds gave a dinner Sunday in honor of Mr. and Mrs. Ross Bussett and daughter, who are leaving Powell Butte soon. Those present, besides the host and hostess, were: Mr. and Mrs. Ross Bussett and Margaret Bussett, Mr. and Mrs. E. A. Bussett, Floyd and Fay Bussett.

EVERYTHING THAT IS BIG HAS HAD ITS SMALL BEGINNING

At some time the large fortune was small, but it grew. Your fortune may be now in its infancy; you may not have more than a dollar that doesn't need to be spent at once for some necessity. But put that dollar away, in a safe place; let it draw interest; by and by put another dollar with it, and then another and another. Like a child your fortune will grow—steadily, surely. In time, what you have put aside, added to what your savings have earned, will amount to enough to make a good investment. You have made the beginning of your fortune.
