DENTISTS ASSISTING IN HEALTH PROGRAM

Cooperate With County Nurse In Survey of Rural Schools—Will Do Work At Cost of Materials.

Dentists of Bend are cooperating with Miss Julia Clock, county nurse, in making a survey of the rural schools, inspecting the teeth of all pupils, and will also do dental work for the bare cost of materials. The dentists will take turns in making the inspection trips and will divide the work, which will be done in the Bend offices, if practicable, among their number.

If possible, the patients will be brought to Bend for dental treatment, but the dentists are willing to take a traveling outfit to the outlying communities, and will do so if the children find it impossible to make the trip to Bend.

COOPERATE WITH COUNTY NURSE IN SURVEY OF RURAL SCHOOLS—WILL DO WORK AT COST OF MATERIALS.

Refresh Roses.

Roses will give much greater return if, before they are put into the water, the ends of the stems are crushed or mashed. Then when the rose wits cut off the end of the stem, slit it in half for about one half inch, hold the ends in boiling water for a few minutes, then plunge the stems in cold water. The rose will be as fresh as new. Do this at night and let the roses stand in a deep pitcher of water all night before placing them in the vase.

Spring Is Here

Now come the Pigs—the Calves—the Colts—and the Lambs.

TIME for your work horses and mules to shed their winter's coat.

—TIME to tone them up—give their systems a spring house-cleaning—and drive out the worms.

Dr. Hess Stock Tonic

A Spring Conditioner and Worm Expeller

Your COWS that have long been on winter feed need the system-toning, bowel-cleansing, appetizing effects of Dr. Hess Stock Tonic. Puts them in fine condition for calving. It means more milk.

Your BROOD SOWS will be relieved of constipation and put in fine fettle for farrowing by a course of Dr. Hess Stock Tonic,—which means healthy pigs, and a mother with an ample milk supply to nourish them.

Your SHOATS will be greatly benefited by a course of Dr. Hess Stock Tonic. It drives out the worms—stimulates the appetite and makes them thrive.

Feed it to EWES before lambing time. It prevents fevered udders and scouring lambs. Feed it after lambing time to stimulate the flow of milk, insuring lambs for the early market.

Dr. Hess Stock Tonic contains Tonics for the digestion, Laxatives for the bowels, Diuretics for the kidneys, and Vermifuges for the worms.
