FORGER SIGNS FARMER'S NAME

FOURTEEN CHECKS, EACH FOR \$14.50, BEARING SPURIOUS SIGNATURE OF C. L. SMITH—CASHED IN BEND.

Fourteen checks, each drawn for the amount of \$14.50, and each bearing the spurious signature of C. L. Smith, rancher living near Bend, were passed in this city last week. There may be more, but this is the number so far reported to Sheriff S. E. Roberts, who is working on the case.

In one instance a woman cashed one of the worthless scraps of paper at a local store, but the rest of the checks, so far as is known, were passed by a man, who shortly after purchased a ticket for Prineville Junction. He has not been located in that vicinity, or in Prineville, however, and the purchase of the ticket is believed to have been made with the intention of giving the authorities a false clue.

BEND WILL BE ON CASH BASIS SOON, IS SHOWN

APRIL TO SEE END OF DEBT, PREDICTED

WILL CALL WARRANTS

Turnover From County In Excess of \$10,000 Reported To Council—

Petition To Pave Alley Granted

—Innes' Resignation Tabled.

The city of Bend will be on a cash basis by April, 1922, if the present rate at which old indebtednesses are being taken up is continued, Lon L. Fox, chairman of the finance committee of the council, declared following Friday night's regular council session. The efficient manner in which collections of old bills is being handled by Recorder Ross Farnham is largely responsible for this, Mr. Fox said.

The rapid progress that is being made toward the attainment of the cash basis ideal was shown in the report made by Mr. Fox to the council, when he said that an early call for warrants would be made by Miss M. E. Coleman, city treasurer, taking care of Bend's general fund indebtedness up to and possibly beyond January 1. The county's turnover to the city, now practically ready to be made, will amount to more than \$10,000, Mr. Fox said, and is the basis on which the warrant call will be made.

More Paving Allowed.

More paving of Bend streets was authorized when the petition, signed by property owners on the alley between Wall and Bond streets, from Minnesota to Oregon avenue, was granted. The petition had previously been held up, due to the withdrawal of the name of Frank O'Laughlin, one of the property owners. On the petition submitted last night, however, O'Laughlin's name appeared. The same patent paving as that now being laid in Bend is specified.

Councilman Leverett objected strenuously to the motion of Lon L. Fox to grant the petition. "There has not been enough time for the acid test—only for the gasoline test," he said. "I can see no rush about this. To grant the petition would place the stamp of the council's approval on the whole paving work." N. H. Gilbert joined him in the negative vote.

Innes Resigns.

Another petition, signed by residents of West Third, between Portland and Newport, asked for the same sheet asphalt type of surfacing. Councilman Nordeen said he had understood that the petition was not to be introduced for some time. It was referred to the streets committee.

To the same committee was referred a petition for the repair of the McKay avenue foot bridge.

A communication signed by Councilman J. S. Innes, placing his resignation, effective immediately, was read, but was laid on the table until the next meeting. It was pointed out by Mayor Gilson that Mr. Innes had polled the largest vote at the election and that hasty action should not be taken. A supplementary motion asked that Mr. Innes reconsider.

Street Cleaning Need Seen.

Paid members of the fire department will be required to appear in uniform when on duty. A motion to this effect was made by Councilman Gilbert and carried with one dissenting vote.

Because of lack of funds, the council was unable to send the city physician, Dr. C. A. Fowler, to Portland to represent the city at the convention of city and county physicians. Need for regular cleaning of the city's new pavements was pointed out by Councilman Gilbert. No action on the suggestion was taken.

At a later meeting, Mayor Gilson told the council, he will take up with the council the matter of parking autos in the center of business streets rather than at the curb.

BLACK WILL DRAPE LEGION CHARTERS
