"Man Is Judged By the Company He Keeps."

The moral of Aesop's fable is to be careful about one's associates. This applies with equal emphasis to one's shopping place.

When we decide upon a store as being worthy our patronage, we want to know that the company behind it is trustworthy; that its merchandise is always as represented and of dependable quality; that its salespeople are men and women of intelligence and ability who will be helpful and courteous.

When you are familiar with our unfailing co-operation and service and the money-saving advantages afforded you by the combined operation of our 312 stores, you, we feel sure, will want to be known as a patron of our Company.

LAMB YIELD LARGE AT POWELL BUTTE

POWELL BUTTE, March 9.—J. A. Riggs who sometime ago bought the B. Manceau sheep reports a wonderful crop of lambs so far. From 16 ewes that have lambed he got 34 lambs. The first three ewes to lamb gave triplets. Of course owing to the severe weather he could not save all, but his losses have been relatively small.

J. A. Riggs has baled and shipped to Mr. McKie of Redmond over 78 tons of hay.

George C. Truesdale will load three cars this week with baled hay that goes to Maupin where it will be fed to sheep that are being wintered there.

Mrs. Wallace Knott and children visited at the George C. Truesdale home Sunday. Mrs. Knott lives on the McCall ranch down Crooked river. She is an old time friend of the Truesdales and they enjoyed the visit greatly.

Many Powell Butte people are included in the prevailing epidemic of colds and grippe. A few have been seriously ill, others only troubled with the symptoms. Among those who have been seriously ill are Peter Pauls, C. M. Charlton, Little Oran Charlton Foster, Mrs. Gibson, Mr. and Mrs. Roy Roberts, and daughter Ina. All of these are now nearly well.

Mrs. C. M. Charlton, E. Carl Charlton and Harold M. Charlton were dinner guests at the home of Mr. and Mrs. E. A. Bussell last Wednesday evening.

Miss Hazel Bayn who has been in training as a nurse in a San Francisco hospital is at home to spend several months resting. Miss Bayn's health has not been good for some time and she thought that Central Oregon's bracing air and home cooking might have a beneficial effect.

A large attendance of dry land farmers and others interested turned out for a meeting at Community hall last Friday night for the purpose of discussing the proposed irrigation ditch to be put in by the North Canal Co. The meeting adjourned for another session last night.

Mrs. Mary V. Charlton and son Charles spent the week at the ranch. Charles was suffering from a severe attack of grippe and was obliged to lose an entire week of school. He is a student at Crook county high school.

Harold M. Charlton went to Portland Saturday night on a special business trip. He will return in a few days.

Mrs. Cleveland Bunn was hostess this Wednesday to the Powell Butte Sorosis club.

Mr. and Mrs. S. D. Mustard went to Prineville Sunday evening to see the Four Horsemen of the Apocalypse.

Jack Meyer has returned from a delightful visit with his parents at Tacoma.

Tom Cronin who has been passing a few days in Portland returned Saturday.

Frank McCaffrey the Powell Butte farmer, real estate man has returned from several weeks spent in Portland. While there Mr. McCaffrey succeeded in breaking into print in two of the Portland papers.

Assistant State Engineer McAllister attended the water meeting at Community hall Friday night. Happening to be in this vicinity at that time he came at the invitation of Guy Dobson of Redmond.

A Mrs. Thomas has taken over the lease of the Long ranch formerly held by J. Arthur Milner. Mr. and Mrs. Milner will move onto their own ranch this week.

COLONIZATION STARTS SOON, WEST STATES

(Continued from Page 1.)

the library board, a "clean up" campaign, and getting the voters to vote, are all asked.

Improving relations with the farmers, elimination of the bad check nuisance, a campaign to reduce the cost of living, some road building done personally by the citizens, a "get acquainted with your town" campaign, were mentioned, with some personal answers, after the question, "what can the Commercial club do to help my business?"

"Kill Knockers" Suggested

To the question, "What can the Commercial club do to most efficiently promote the welfare of Bend, and make it a better place in which to live," the most prevalent reply was "Kill the knockers, get together, and boost." Elimination of unsightly advertising signs was mentioned. Miss Laura Rand, who has been

given the task of providing music for the forum meetings, sang "Out Where the West Begs," accompanied by Miss Alice Stockman at the piano. She announced that the club members would be expected to sing the same song next Wednesday noon.

Scoutmaster J. Edgar Purdy asked for volunteer fathers for the Boy Scouts' banquet Friday night. Oswald West stated that the North Canal company would father any boys not otherwise cared for, and that John Dubois, engineer for the company, would chaperon them. His offer was accepted.

METHODISTS TO CALL FOR BIDS

An immediate call for bids for completion of the interior of the new Methodist church was decided upon at Tuesday's meeting of the building committee. This is the largest unfinished unit of work remaining.

The specifications will call for all the inside work, in the auditorium, except the windows and furnishings. The bids are called for March 28, and if a satisfactory bid is submitted, the contract will be let immediately thereafter. Plans and specifications are being prepared in the office of Lee A. Thomas.

"This contract is made possible by the splendid results of the bond selling campaign last week," said J. Edgar Purdy, the pastor.

"We have sold \$9,000 worth of bonds, only two five hundred dollar bonds remain in our possession, and we have very fine prospects for the

disposal of these two large bonds within the next few months.

"Meantime, the income from the bonds sold, and from the church extension donation, will enable us to proceed with the completion of the job. We expect to let the contract for the windows and for the interior furnishings in the near future, for delivery about the first of August. Work on the exterior veneer will be started some time in June. We ought to be ready to dedicate by the first of September."

WILL MAKE SURVEY OF WORK OF CLUBS

Inspection of the work being done by boys' and girls' clubs in Deschutes county is scheduled for March 27 when J. E. Calavan from the office of the state superintendent of education, will arrive in Bend to conduct a survey of club work. He will be accompanied on his tour by County School Superintendent J. Alton Thompson. Five clubs are now fully organized, and others will be at work shortly, Thompson states.
