- Three-quarter floating rear axle.
- Pushed steering knuckles.

## BEND GARAGE

Buick Chevrolet Goodyear Tires

The mere fact of owning a motor car counts for but little these days unless it is a car of which it's owner may justly be proud.

And this, we believe, is one of the reasons why the

# PAIGE

commands itself so hilghly to the car owning public.

It excites such genuine admiration on every hand that it is a constant source of pride to its owner.

## A TRULY FINE CAR

Yet more important even than the expressed approval of one's friends is the pleasure which comes with knowledge of having chosen a car that will meet every requirement expected of a high grade automobile.

Durability, low operation cost, easy control and perfect performance under all conditions are outstanding features of the Paige.

See this car among cars. You will admire it as much as others do.
