

LA PINE LOSES SCHOOL; FLAMES SEEN TOO LATE

Early Morning Blaze Is Thought Incendiary

TRACKS DISCOVERED

\$25,000 Building Vacant For Week Since School Ended—Plans For Rebuilding Entertained—Stokoe Probes Case.

(Special to The Bulletin.)

LA PINE, June 5.—Fire, considered to have been almost certainly started by an incendiary, destroyed the \$25,000 school building here early this morning, while practically the entire population of La Pine, helpless to stay the progress of the flames, watched the conflagration. The building carried only \$12,000 insurance, but already plans for rebuilding are being talked. This, it is considered, would involve a bond issue, as the school patrons of the district are desirous of a better and larger school of more nearly fire-proof construction.

Footprints of a man leading to and from the building constitute the chief indication at present that the fire was set. Rain fell shortly after 9:30 o'clock last night, obliterating all marks in the soil, but a new pair of tracks was made some time after that hour and before the fire started. The building had been empty since the close of school last week.

Second Fire in Year

The blaze had been under way for some time apparently before it was discovered, for the entire structure was in flames before the alarm was given at 3:15 o'clock this morning. No other buildings were near, so that no danger menaced any other property in La Pine.

Deputy Sheriff George Stokoe was called from Bend this morning and spent several hours investigating the circumstances of the fire. Deputy State Fire Marshal Pomeroy was expected in this afternoon to assist Stokoe.

The building destroyed was six

year old, a two-story structure with four rooms on the upper floor, and furnace room, basketball court, and domestic science and manual training rooms on the first floor, a semi-basement.

The loss is La Pine's second from fire in less than a year, the last being the burning of the hotel in November.

"COBB'S QUEST" TO SHOW HERE FIRST

Will Come To Bend Theater In Short Time—Oregon Managers Eager For Dates.

Believing that Bend has the right to see the first public showing of "Cobb's Quest for Quiet," the five reel film based on Irvin S. Cobb's famous hunting trip into Central Oregon and on Cobb's two magazine stories regarding the trip, A. Whisnant, former Bend newspaper man who is managing the production, stated on his arrival in Bend this morning that he is making arrangements to show at the Liberty theater in 10 days or two weeks. Whisnant said that the film is being eagerly contracted by theater managers in Oregon.

Included in the film are scenes of every form of wild life known in Oregon, taken from the famous Finley pictures.

The showing in Bend will be for two nights, possibly with matinees.

A. W. ARNOLD HEADS LA PINE CHAMBER

LA PINE, June 5.—A. W. Arnold is president of the La Pine Chamber of Commerce following an organization meeting last week. The chamber of commerce supercedes the old commercial club. Other officers chosen are: F. W. Tomes, vice-president; A. G. Cholick, treasurer; Cecil Hollinshead and Douglas Johnson, directors.

BUCHHOLTZ GETS 10 DAYS, \$200 FINE

Pleading guilty to the charge of selling liquor to Cecil Sumner, Joe Buchholtz was fined \$200 and sentenced to serve 10 days in jail by Recorder Ross Farnham Saturday.

CLOSE CONTEST WON BY LOCALS

Springer Starts Rally With Home Run In Fifth—Few Hits Are Made.

Norval Springer, Bend's veteran center fielder, spoiled an exciting contest Sunday when with a long home run over the house back of right field, he started the rally which gave Bend a safe lead over Madras. Up to that inning, the fifth, the visitors had been leading.

Sunday's game started without much promise, with the sky clouded and rain falling, and scarcely one hundred people in the stands. The rain ceased and the sun came out about the second inning, but the crowd did not swell to the number which the excellence of the game warranted; and those who were there did not reveal the enthusiasm which might have been expected.

Madras put up a 100 per cent better play than was exhibited a week previous in the game at Vanora. D. Young, pitcher, seemed to have figured out the weaknesses of Bend's hitters, for he allowed only seven safe swats.

Following Springer's home run, Simpson singled, Russell was safe on an error, Long got a single scoring Simpson, and Slate tripled, scoring Russell and Long. In the seventh Simpson hit a three bagger, and Kennedy scored him with a single. Kennedy went to second on a balk, stole third, and came home on a passed ball.

Tucker, former Bend high school player, scored for Madras after striking out and making first on a dropped third strike and a wild throw to first, in the sixth inning. Tucker stole second, and went to third and home on wild throws. Madras scored in the second inning on two base hits by Wiegand and Billips, and in the eighth on Gudgel's two base hit and Tucker's single.

Simpson, pitching for Bend, struck out 11 men, and allowed six hits. His control was of the best, only one man reaching first base on balls. Simpson was also the only man to get two safe hits. Other members of the local team played perfect ball,

Huge Hailstones Fall During Thunderstorm; Precipitation Heavy

Hailstones varying from the size of a pea to more than a half inch in diameter pelted down Sunday afternoon for fully five minutes in the course of a violent thunderstorm. Rain fell with the hail, a total precipitation of one-tenth of an inch. As much more was recorded in the rain of Saturday afternoon and rain of Saturday afternoon and No damage from the hailstones, the largest seen here in years, was reported.

giving the twirler strong support when men were on bases.

EASTES USES NEW THREE PIECE BOAT

Using his new "three piece" boat for the first time, J. A. Eastes Sunday, at Twin lakes had little luck, he reports, the only large fish in his basket being one 25 inches long.

Mrs. W. Helfrich, of Portland, who with her husband, an insurance agent, accompanied Eastes yesterday to the lakes, caught a 19 inch trout. Judge Eastes says he can transport the new boat on the running board; but at present he is hauling it in a trailer.

Save Your Money!

Don't pass our store, or stop till you get there. We have been receiving large shipments of Shoes and can supply your whole family with Shoes of quality, bought right, and we sell them right.

Men's Work Shoes

- Chocolate Elk, summer weight, at.....\$2.45
- Chocolate Elk, no side seams, heavy, at.....\$3.25
- Smoked Elk, a real shoe, at.....\$3.25
- Chocolate Elk, flexible sole, at.....\$3.69
- Heavy Chrome Blucher at.....\$3.50
- Heavy Chocolate Blucher at.....\$3.95

For Women

- White Canvas Oxfords at.....\$2.45, \$2.95, \$3.45

- Children's Brown Calf One Strap Pumps, priced at.....\$1.95 and \$2.45
- Boys' Smoked Elk Outing Bals at.....\$2.85
- Boys' Heavy Munson Style Work Shoe at.....\$3.25

THE HUB

Let's Understand Each Other

It was wisely said "A Used Car is only as reliable as is the firm from which it was purchased." No standard make of car, showing less than 20,000 miles on its speedometer, could be in such bad condition mechanically that by proper replacement of parts and thorough overhauling it could not be put in A-1 shape. We never offer a used car for sale until we know that it is in firstclass condition. We know when a car comes out of our shop that it will give a long and uninterrupted service to its purchaser. That's why we give an absolute guarantee with every Used Car we sell, just the same as we do with the New Cars.

WHEN A USED CAR COMES FROM THIS GARAGE IT IS DEPENDABLE

The people of Central Oregon have learned that our cars are dependable, and for this reason a Used Car does not stand on our floor very long. We have moved every Used Car we advertised last week, and this week have an entirely new list to offer. A list that you will agree with us is a representation of quality at exceptionally low prices.

If you are still wearing out sole leather on week days and cursing the world on Sunday because you have failed to make a purchase of one of our Used Cars, come on over. We will make you such an attractive proposition you will hardly believe your ears.

We Have the Cars and Are Willing to Sell Them at Prices and Terms to Suit Your Conditions. See Us At Once.
