CATARRHAL DEAFNESS is greatly relieved by constitutional treat-ment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed con-dition of the mucous Uning of the Eusta-chian Tube. When this tube is inflamed you have a rumbling sound or huperfoct hearing, and when it is entirely closed. Deafness is the result. Unless the in-flammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the bibod on the mucous surfaces of the sys-tem, thus reducing the inflammation and assisting Nature in restoring normal con-ditiona.
