

What's Doing In The Country

BERRIES DO WELL AT POWELL BUTTE

POWELL BUTTE, Sept. 27.—J. J. Chapman has raised unusually fine strawberries this year. From about 700 plants the Chapmans have picked 136 gallons. Out of that they have sold \$87.70 worth and have used and given away the balance. The vines are still bearing and will do so until there is a frost.

Mr. and Mrs. Carl Williams have had similar success with their small patch. Ranchers here declare that this section of Crook county is one of the best for strawberries and many more plants will be put out next year.

The attendance at Wilson school is so large that an additional teacher has been employed. Miss West of Prineville has taken the first, second, third and fourth grades, and Mrs. Dorothy Johnson the fifth, sixth, seventh and eighth. Another room is being built and when completed there will be plenty of room for the two teachers and their pupils.

Powell Butte Sorosis meet this week with Miss Minnie Allen as hostess.

Mr. and Mrs. George C. Truesdale were Prineville visitors one day this week.

E. C. Charlton visited his parents Monday of this week. Charlton has been employed on the Mills ranch at Paulina.

Elot Johnson is in Portland this week. Miss Leta Shoberg is taking care of the store while he is away. Mrs. George Kissler and Mrs. Hans Jacobson went to Prineville Wednesday of last week on school business. They are both members of the local school board.

Fruit grown in the local orchards this year is also excellent. Very fine apples were produced at the orchards of George C. Truesdale and J. A. Riggs.

A. W. Bayn will remodel his residence this fall. He expects to put in a water system, and improvements on the house will make it modern in every respect.

Mrs. Hans Jacobson is seriously ill. She is suffering with a heart ailment.

George Whitsett has sold his crop to Lee Hobbs and has taken two teams and gone to work beyond Tumalo. Mrs. Whitsett and the children are at Cottage Grove.

Mr. and Mrs. Irving and daughter visited at the E. A. Bussett home Sunday.

Mr. and Mrs. Guy Sears have returned to their home in The Dalles after an extended visit with their daughter, Mrs. Otto Pauls.

Mrs. C. E. Knowles of Waldport, Ore., is visiting with her son, Roy Roberts, and family. Mrs. Knowles arrived about the middle of this month and intends to make an extended stay.

Harold M. Charlton left Saturday night for Los Angeles to take a position under the federal prohibition director at that city. Charlton's territory will be in California, Nevada and the Hawaiian Islands. Charlton is the son of Mr. and Mrs. C. M. Charlton of this place and has been visiting with his parents for a few months.

Mr. and Mrs. Cleveland Bunn are parents of a baby daughter, born Thursday, September 21, at the Portland Maternity hospital. She weighed 7 1/4 pounds and has been named Barbara Jean.

Mention was made last week of the illness of Alys, the 22 months old daughter of Mr. and Mrs. J. A. Riggs. The baby grew worse and was finally taken to a Bend hospital, where she was operated on Wednesday night for appendicitis. For a while her life hung as if by a thread, but she now seems to be better, and hopes are held that she will recover.

ACTOR IS THOUGHT KILLED NEAR BEND

Tragedy at the Cove Brings Report of Death of Wisconsin Man of the Same Name

Because Don C. Hall, Terrebonne farmer, and Mrs. Hall, were crushed to death this summer when their car went over the grade at the Cove in Jefferson county, Don C. Hall of North Milwaukee, Wis., has been generally reported as dead. The Milwaukee Hall's premature end is made known in a letter to The Bulletin by Hall himself. He asks for information which may aid in establishing the fact of an error having been made.

The report which has gained wide circulation in Wisconsin, according to Hall's letter, is that "Don C. Hall of Stevens Point, Wisconsin, and his wife, were instantly killed at Bend, Oregon, some time ago when Mr. Hall drove his car too near the edge of a cliff with the result that they were precipitated over the cliff, a distance of 1000 feet to the bottom."

This statement, writes Hall, is followed in Wisconsin papers by a description of the victim, with mention of his occupation as an actor and dramatic writer, leaving no question as to identity.

Fifteen Years Ago

(From the columns of The Bulletin of September 27, 1907)

A large piece of development work that will be undertaken by the D. I. & P. Co. within the next few months is the construction of another main canal to water about 85,000 acres of land lying on the north of the company's segregation. The point of diversion will be about a mile north of Bend, and the canal, when completed, will be 23 miles in length.

Lumber for the stove flume that will carry water across the old river bed in the Powell Butte section is being hauled as rapidly as teams can be procured.

On October 1, the Bend, Madras and Shaniko Stage Co. will cease to run its stages, and the business will be taken over by J. H. Wenandy.

FIND HOG CHOLERA IN CROOK COUNTY

State Veterinarian Diagnoses Disease Which Kills 17 Animals, Those Exposed Vaccinated

PRINEVILLE, Sept. 25.—What is believed to be the first outbreak of hog cholera in Crook county was reported last week to County Agricultural Agent W. B. Tucker by Joe Gerardo, who lost about 14 hogs and has had about 40 more exposed. Dr. Osborne, deputy of Dr. W. H. Lytle, state veterinarian, who has been in charge of eradicating sheep scab in this territory, inspected and verified the cases at the Gerardo farm as being cholera, Thursday. On Friday evening the remainder of the hogs at the farm were vaccinated.

An outbreak of the disease occurred about the same time that it was discovered on the Gerardo farm, among the hogs of J. H. Gray of this city. Three fine Poland China hogs which Gray was planning to exhibit at the interstate fair died last week, and the others which were exposed have been vaccinated.

CATARRHAL DEAFNESS

Is greatly relieved by constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and assisting Nature in restoring normal conditions. Circulars free. All Druggists.
