

What's Doing In The Country

ENJOY HALLOWE'EN AT POWELL BUTTE

POWELL BUTTE, Nov. 8.—The most enjoyable affair that has been held here for a long time was the Halloween party given at Community hall by the young men's class in honor of the young ladies' class of the Powell Butte Sunday school. The young men, headed by their teacher, Mrs. E. A. Bussett, entertained about 50 persons in all. There were ghosts, black cats and witches for the decorations, and the place cards at the banquet table were black cats for the boys and witches for the girls. A fortune telling booth was well patronized and everyone was guessing as to who was the gypsy. Lloyd Bussett, Miss Shoberg and Miss West kept the games going, Mrs. Mary V. Charlton was toastmistress. Miss Grace Pauls, president of the young ladies' class, responded to the toast for her class. Charles M. Charlton, president of the young men's class, responded for his class.

Roy Roberts sold about 150 tons of hay this week to Max Wurzweller. The purchase price was \$9 a ton in the stack, the hay to be fed on the place.

John Cronin made a short visit at Portland last week on business.

E. A. Bussett took his Sunday school class of little folks over to the cave Sunday afternoon. They roasted wienies and played games and all enjoyed themselves.

Mr. and Mrs. George Hobbs and son, John, were Prineville visitors the first of the week.

George Truesdale has spent several days at Prineville during the past two weeks as a member of the county budget committee.

Edgar Pederson was one of the boys that won the trip to the stock show in Portland. He will enter the judging contest. Powell Butte is proud of Edgar.

Charles M. Charlton went to Burns with the Redmond football team and proudly reported, "we beat 'em," on his return.

Several people from here attended the Cox sale near Terrebonne, among them being Jesse Miller, Mr. Taylor, Paul Richardson, Mr. and Mrs. Will Pederson and Mrs. Mary V. Charlton.

Max Wurzweller is here for a while to assist in looking after the company cattle.

J. P. O'Callahan has most of his sheep at home now for winter feeding. John Cronin has a band of sheep here also.

George Hobbs brought his cattle out of the national forest last week and will feed them at his Powell Butte ranch.

Riggs and Cook of Powell Butte sold lambs to Lynn Nichols recently, who shipped them to Montana, where they will be fed for the Chicago market.

Arthur Wurzweller took a carload of calves to Portland this week.

Miss Montgomery, teacher at the Edwards school, and her sister, Mrs. Stewart, were shopping in Redmond Saturday.

George Truesdale has bought a lot of hogs and will feed his barley and small potatoes to them, thinking to get a better price for all in that way.

ENTIRE FAMILY HAD "FLU"
"Keep right on using Foley's Honey and Tar. It will give quick relief," said the doctor, when the entire family had the "flu." "Never saw anything so good," writes Mrs. A. B. Griffith, Andrews, Ind. COLD RECORD HERE BROKEN

Eight Degrees Above Zero Registered—18 Minimum for October

Another Bend weather record went by the board Friday night when the mercury dropped to eight degrees above zero. It was the coldest for so early in the winter of any year in which official temperature figures have been kept. The nearest in 11 years to the record for early cold set last night was in 1916, when eight degrees above was reached on November 8.

The minimum of the month just past was 18 degrees, reached on October 30, with the maximum of 81 established on the first. Rain totaled 1.15 of an inch, and only two dust storms of any consequence were noted during the month, partly because of the unusually heavy precipitation. Thirteen days were clear, a like number partly cloudy, and five cloudy.

EXPLOITATION OF YUCATAN PLANNED

Mexico Would Turn Secluded Land in Central America Into a Second Florida

(By United Press to the Bend Bulletin.)

MEXICO CITY, Nov. 3.—Quintana Roo is to rival Florida as a garden spot if plans of the ministry of agriculture are carried out.

A commission from this country is now in Florida to determine how that garden spot "is run," with a view of proceeding to Quintana Roo to lay out plans which will turn that secluded land into the public eye.

Recent explorations in Quintana Roo have convinced the Mexican government that the deserted corner of the Yucatan peninsula has many of the same natural conditions as has Florida and that this section of the republic could be made so attractive as to induce colonists to establish and build up a land as beautiful and productive as the American peninsula.

It is reported that the territory of Quintana Roo is to be made into federal reserve lands.

ARMISTICE DAY PROGRAM HERE IS ANNOUNCED

Services Planned for Saturday Morning

G. A. R. MEN TO ATTEND

Bend-Redmond Football Game Is Feature of Afternoon—Military Ball to be Given in the Evening

The program for the Armistice day service at the American Legion building was announced Tuesday by Frank R. Prince, general chairman for the legion, and Rev. F. H. Beard, who will have charge of the service as chairman.

Rev. F. R. Sibley will lead in the invocation, after which Mrs. C. V. Silvis will sing a solo. On the stroke of 11 o'clock, the chairman will call for a minute of silence, in respect to the men who died overseas in the world war.

R. M. Turner, local attorney whose three sons were all in active service overseas during the war, will give the Armistice day address, after which Charles G. Wilson will sing a solo and then lead the audience in singing "America." The benediction

will be asked by Rev. C. W. Hall.

All of the local ministers have been invited to attend, and they and the civil war veterans will have seats on the stage. The Spanish-American war veterans have also been invited. American Legion members, and other world war veterans, will be in uniform.

Grid Contest Will Draw

The American Legion post is urging strong support for the high school in its football game Saturday afternoon with Redmond. The game will be called at 2:30 o'clock, on O'Donnell field. The Bend high team is stronger than it has been at any time this season, having had two weeks' rest since the last game.

Should Bend win this game, the local school will be in line for the championship of the interior of Eastern Oregon, as well as of the Central Oregon conference, for the Redmond team last Saturday defeated the Burns team, which has won all of its games in that vicinity. Redmond won 19 to 13, being scored on for the first time this season.

Armistice day will end with a military ball at the American Legion building Saturday evening. A special six piece orchestra has been arranged. The building is to be decorated in a manner appropriate to the day.

Urging that Armistice day be observed as any other legal holiday, a resolution was passed by Percy A. Stevens Post No. 4, American Legion, at last week's meeting. Business houses which usually close on legal holidays were urged to adhere to that custom. The resolution follows:

Whereas, Governor Ben W. Olcott has proclaimed November 11, Armistice day, as a legal holiday in the state of Oregon, and Whereas, it is also an international holiday, commemorating the allied victory over autocracy in 1918, and Whereas, we believe that the day set apart for recognition of the sacrifices of our comrades who died overseas in the defense of democracy should be sacred, therefore, Be it resolved by Percy A. Stevens Post No. 4, the American Legion, that we strongly urge that the precedent of full observance of Armistice day be adhered to, and that all business houses which usually close on legal holidays, shall close their doors on Armistice day, November 11, and that the people of Bend shall properly observe the day.

Signed: Earl B. Houston, Commander; Larry M. Hagen, Adjutant.

HOSPITAL FOR BEND EARLY POSSIBILITY

Need of Accommodations Here for Tuberculosis Patients Seen at Health Exposition

Probability of the early location of a tuberculosis hospital in Bend was evidenced at the state health exposition in Portland last week, several of the speakers mentioning the need of a hospital in this part of the state and Bend as the location, according to Miss Grace MacDowell, county nurse, who returned Monday morning from Portland, where the exposition was held.
