KETCHUM LISTED AMONG CAMP'S ALL-TIME STARS

In Walter Camp's all-American football eleven of all time, based on the number of years the players have been selected for the famous mythical eleven, appears the name of Henry H. Ketchum, Yale, 1914, listed among the men selected for the center position. Ketchum played on the Blue eleven during the 1913 and 1914 seasons and captained Old Eli in 1914, being selected all-American in the latter year.

Ketchum is now employed by the The Shevlin-Hixon Company in Bend, and contributed much toward the success of the local eleven during the football season.

Among the other names mentioned for all-American for all time appears the name of the late Tom Shevlin.
