THE FAST PACE OF LIFE

You'll find lots of people concerned about the tempo of life today. But most of them simply catch a breath when they can, and try to keep up with the pace.

There is something more important!

The winner trains... and plans his race. He may lag behind for a while, but he is confident of hidden resources. When others have burned up their energy and enthusiasm, he forges to the front. As they wilt in the home stretch, he sprints across the finish line.

The Church can help you train... and plan! A Christian is concerned with his own spiritual stamina rather than the fast pace of life. He is ready with hidden resources when the moment of challenge comes.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
