

MR. AND MRS. HARVEY BROWN

Vows exchanged by young couple

Special to The Bulletin
REDMOND — Miss Priscilla Elaine Pifer and Harvey Brown were married in a recent ceremony in the Latter Day Saints Church in Bend, with President Owen Horne officiating. The bride is the daughter of Mrs. Gus Pifer, Tumalo. The bridegroom is the son of Mr. and Mrs. Otis Brown, Redmond. Bob Telfer of Madras was soloist, accompanied at the organ by Mrs. Norman Whitney of Bend. The bride wore a floor-length gown of white lace over satin and a silk veil. She carried pink and white carnations. Her sister, Miss Dianne Pifer, was maid of honor and another sister, Miss Faye Pifer, was bridesmaid. They wore silk ballerina frocks in pink and white silk, respectively. Howard Brown was best man for his brother. They are at home in Redmond after a wedding trip to the coast.

Gun-wielding man subdued

PORTLAND (UPI) — A man fired four shots into the floor of a downtown law office here Monday, police said. One shot nicked an attorney's shoe. The man, identified as Sam J. Sauls, was disarmed and held for police. Mrs. Myrna Brummage, 22, secretary for the law firm of Tanner, Sussman, Brugman and Porter in the Jackson Tower building, said the man came into the reception room about 9 a.m. She said she said "good morning" to him and then the man pulled out a .22 caliber pistol as attorney Richard Porter entered the reception room. He muttered something and began shooting into the floor, she said. Porter grappled with him and one of the shots nicked his shoe. Another member of the firm, John Brugman, ran into the room. He said Porter and the man were struggling. "I grabbed the gun and we made him sit down until the police came," he said. Kneland Tanner, a member of the firm, said he had known Sauls for 20 years and that he was a retired logger. He said he was not sure what caused the incident.

Marketing area extension due

BOISE (UPI) — An announcement from the Interior Department is expected this week to extend the Bonneville Power Administration marketing area into the Upper Snake River Basin. Most of the region affected is in Southern Idaho, but the territory also includes portions of Utah, Wyoming and Nevada. A prediction of the announcement came from Democratic members of the Idaho congressional delegation. Their statement immediately came under fire from the presidents of Idaho Power Co. and Utah Power and Light, private utilities that serve the territory. The Congressmen said the decision to order the extension was prompted by a feasibility study and technical hearings conducted in Idaho last year. The extension will become effective immediately, they said. The lawmakers said the order will direct that power generated at government projects in the area be marketed by BPA instead of the Bureau of Reclamation. The objective will be to put Bonneville's standard wholesale rates into effect by Sept. 1, 1963.

NO HERO HE

POMONA, Calif. (UPI)—A 30-year-old father who was hailed as a hero for saving his five children from a fire last Jan. 6 was sentenced Monday to 1 to 10 years in prison for deliberately setting the fire. William Carrell later told officers he started the fire in his home to "shock my wife into realizing she was neglecting our children."

Fire season could be one of state's most disastrous

By Zan Stark
UPI Staff Writer
SALEM (UPI)—The closed fire season begins Friday in all of Western Oregon, and in most of Eastern Oregon, as a prelude to what could become one of the most disastrous forest fire years

Stroke suffered by Bebe Daniels

LONDON (UPI) — A British brain surgeon was called into consultation today in the case of Bebe Daniels, 61, former Hollywood star who suffered a stroke in her home here Monday.

A hospital spokesman said the actress is "conscious and able to speak," but it appeared that her condition is still the cause of some concern.

"This afternoon she is to be seen by Dr. Wylie McKissock, the brain surgeon who attended (tracing driver) Stirling Moss when he was injured," the spokesman said.

Miss Daniels and her husband, Ben Lyon, also a Hollywood star, left the movies some years ago and came to England to live.

Both Miss Daniels and her husband were popular television performers in this country, starring in the BBC-TV show "At Home with the Lyons."

Powers reported on his way out

HOUSTON (UPI) — Col. John A. (Shorty) Powers, reported to be on the way out of the Project Mercury team, is expected to arrive in Houston today instead of going to Washington with space hero L. Gordon Cooper. Powers would not confirm or deny a story in a Houston newspaper (The Chronicle) Monday that said he intends to resign. He said he might make an announcement by Friday. Powers said from Cape Canaveral Monday that he does not intend to go to Washington or to take part in any of the festivities arranged for Cooper. Instead, he said, he will arrive in Houston sometime this evening.

The newspaper story from Cape Canaveral quoted high officials as saying that Powers intends to announce his resignation soon.

In Houston, officials at the Manned Spacecraft Center were not surprised when asked about the report. One spokesman said he had heard the rumors, but nothing official.

Powers, an Air Force officer, has been on the Project Mercury assignment for about four years. A spokesman for the National Aeronautics and Space Administration said the normal tour of duty is three years. Powers will be eligible for retirement in 1964.

Powers, 41, was heard by millions of radio and television listeners as the "voice of Mercury control." He is public affairs director for the Manned Spacecraft Center in Houston.

Man held in Salem shooting

SALEM (UPI) — A man who said he was disgruntled because he was refused welfare assistance has been accused of firing a bullet into the trunk of a car at Gov. Mark Hatfield's home. Floyd Leroy Thomas, 27, Salem, was arrested Saturday afternoon after police received reports of a gun being fired in Bush Park, across the street from the governor's home. Thomas was charged with vagrancy and carrying a concealed weapon.

MODERN-DAY RUSTLERS

FORT WORTH, Tex. (UPI) — Joe Keeten and Jesse B. Rhodes faced two-year probated prison sentences today. They pleaded guilty of rustling dairy cows and selling them to a slaughter house. The court specified the men must pay for the cows they stole.

Miller fears Cuban buildup

WASHINGTON (UPI) — GOP Chairman William E. Miller started a new argument Sunday with the administration's Cuban policy by asking if President Kennedy planned to abandon the U.S. base at Guantanamo Bay. Miller, a New York congressman, also quoted news reports as saying that "fresh intelligence" showed the Russians were building a naval base at Banes on the northeastern tip of Cuba. He asked Kennedy if such reports were true.

Sen. Hubert Humphrey, D-Minn. replied to Miller's questions by calling them "simple, mischievous nonsense, without any foundation whatsoever." He said the GOP leader was engaging in "monkey business and shenanigans to spread doubt and confusion when he has no facts."

Humphrey said that "apparently the GOP strategy is to raise doubts" about Cuba and then demand "that the President set the doubts to rest."

Plan to repeal green belt law springs to life

SALEM (UPI) — A plan to repeal the green belt law and place all agricultural property on a tax-deferral basis sprang to life Monday in the Senate Tax Committee.

During consideration of a House-approved bill to grant tax deferral to farms not now located in green belt areas, Sen. Vernon Cook, D-Gresham, proposed that all farmers be given equal treatment through tax deferral.

He asked that the green belt law now on the books be dropped. The green belt law exempts farms in zoned areas from paying higher than agricultural tax rates until their property is converted to non-agricultural use.

The deferral plan postpones, for a period of five years, all taxes in excess of the agricultural rate. Deferred taxes would have to be paid upon sale of the farm for non-agricultural use.

Shortly after Cook proposed switching all farms to the deferral basis, Sen. Walter Pearson, D-Portland, failed in an effort to get the bill tabled.

Cook asked that consideration of his plan be held over until the committee's next meeting. The committee approved a tax on charter boats, and tabled a plan to grant property tax exemptions to labor temples.

BODY RECOVERED

PORTLAND (UPI)—A woman whose body was found in Rock Creek near Bethany in Washington County Sunday drowned, the Multnomah County coroner's office said today.

No identification had been made. The body appeared to have been in the water several days.

Veteran members of K of P honored at dinner in Bend

Veteran members of the order of Knights of Pythias in the Central Oregon area were honored at a dinner here Saturday night attended by Pythians and invited friends from the region. Melvin L. O'Day, chancellor commander of the local lodge, presided.

It was noted that in the members of Deschutes Lodge there are three men who are past grand chancellors of the grand lodge of Oregon — Dr. R. D. Ketchum, Claude Kelley and George M. Larimer.

Kelley, secretary of the lodge, called the roll of members who are veterans with 25 or more years of active service. Heading the list was J. Roy Roberts, Redmond, who joined the Redmond lodge on Jan. 22, 1912, over 51 years ago. He became a life member last year.

Alexander E. McLennan of Camp Sherman completed 50 years of membership on May 1

Arkansas firm bought by G-P

PORTLAND (UPI) — Georgia-Pacific Corp. announced Monday that it has bought Fordyce Lumber Co. of Fordyce, Ark., for \$20.7 million.

The purchase, which has been approved by the Securities and Exchange Commission, involved all 51,818 shares of the Arkansas company's stock at \$400 per share.

Fordyce owned approximately 160,000 acres of high quality Southern pine and hardwoods within 100 miles of Georgia-Pacific's Crossett division in Arkansas.

Georgia-Pacific's plans call for construction of a pine plywood plant at Fordyce. It will have an annual capacity of 90 million square feet and cost more than \$1.5 million.

this year. Harvey H. DeArmond is a 49 year member, followed by Harry J. Fissel with 48 years to his credit. George H. Gohrke, Redmond, has 47 years, and Arthur H. Tift, Redmond, 46 years. Wesley Earl Wood, now of Portland, has 44 years to his credit. Eralm Tiller, Bend, has been a member for 42 years, and Dr. R. D. Ketchum, Bend, 41 years.

Other old timers, most of whom were present, honored included Olaf Ror, Crescent; Frank L. Perry and Lloyd H. Magill. Following the roll call, Dr. Ketchum discussed conditions prevailing when he became a member, and compared those with the present. DeArmond made the presentation of veteran pins. McLennan was presented with a 50-year jewel and a life membership card. At the start of the meeting, Mrs. Bonnie Graves introduced a chorus of junior high school girls, who

sang two songs, followed by a vocal solo by Roger Swaim, accompanied by Dallas Quick. Charter members of Deschutes Lodge No. 103, were N. P. Smith, C. C. Triplett, William B. Wilson, C. W. Merrill, E. A. Griffin, Charles A. Stanborough, S. C. Caldwell, Michael Morrison, Dr. U. C. Coe, H. P. J. McDonald, Benjamin F. West, C. D. Rowe, C. D. Brown, Millard Triplett, John Steidl and Levi C. Whitted.

Cashman's Bend's Clothiers
THE PERFECT FINISH FOR THE GRAD

Wonderful luggage for the Grad! SAMSONITE

SAMSONITE SILHOUETTE

Ladies' 26" Pullman... \$42.50
Beauty Case... 25.00
Hat Box... 20.00

Men's Three-Suiter... 45.00
Men's 21" Companion Case... 27.50
Men's Two-Suiter... 42.50
All Prices Plus Tax

Every grad goes for Samsonite! It's your great Good Wish Ambassador... big-hearted on the inside... smooth and sleek and chic on the outside (the hidden locks are one of the secrets). From start to finish, it's designed to make eyes light up! So when graduation day rolls around, make it Silhouette. You'll get miles and miles and miles of smiles! 5 colors for girls: Biscayne Blue, Platinum Grey, Dover White, Oxford Grey, Alligator Finish. For boys: Oxford Grey, Desert Tan, Alligator Finish. In many styles!

If you need your windshield cleaned (but you don't need any gas), why not stop in and have your windshield cleaned?

We take a dim view of dirty windshields. They're not safe. They're annoying. So we're always glad to clean 'em. Of course, we hope that when you do need gas, you'll try one of the three Chevron gasolines. Why three? So you can choose a gasoline made to fit the requirements of your car—without paying for extra power you can't use. All three gasolines have Methyl* power—a research breakthrough in antiknock compounds that stands up under the extreme temperatures of high compression engines. Unlike others, Methyl spreads evenly to all cylinders, giving uniform antiknock performance. And it combines with all the other ingredients required for the best performance a car can deliver. For the very highest-powered cars, use Custom, highest-powered gasoline in the West. For all other high-compression cars, fill up with Supreme. For cars designed to run on regular, choose Chevron. You'll get on-the-road proof that we take better care of your car.
