

Bevo tosser Krausse shakes gopher baller reputation

By Ron Supinski
UPI Staff Writer

Portland bonus pitcher Lew Krausse apparently has cured the one Pacific League record of which he was least proud—that of king of the gopher ballers.

Batters have belted 11 homers off the 20-year-old righthander thus far this year. But Krausse, who was signed by the Kansas City Athletics for \$125,000 two years ago, proved Thursday that he now can zip the baseball just where he wants it around the corners of home plate.

He set down fence-busting San Diego 1-0 on two hits—a third-inning double by Jim Saul and an eighth-inning single by Rog Alvarez. Padre batters had crashed Portland pitching for eight home runs in two previous games.

Krausse, who leads the PCL in home-runs-allowed, hurled his finest game of the young season. He struck out four and walked two to even his record at 3-3. His earned-run average of 7.05, one of the highest in the league, nose-dived as a result.

The 6-foot-1 Krausse also scored the game's only run in the eighth after he singled and moved to third on Jay Hankins' double. A walk loaded the bases and Jim Hughes scored Krausse with a perfect squeeze bunt.

Padre pitcher Greg Jancich, who also went the route, allowed Portland only four hits, two of them singles by Krausse.

In other games, two-run homers by Lou Klimchick and Tommy Aaron gave Denver a 12-6 win over Salt Lake City, Dallas-Ft. Worth tallied seven runs in the first two innings to rip Oklahoma City 10-3 and the San Francisco Giants swatted four home runs in downing their farm team Tacoma 6-1.

Amazing Denver won its fifth in a row and vaulted from last to third place in the Southern Division ahead of Oklahoma City and Salt Lake. The Bears scored six runs in the seventh to come from a 3-4 deficit.

Billy Cowan, the leading hitter in the PCL with a .364 average, had put Salt Lake ahead 4-1 when he smacked a three-run homer in the fifth.

Dallas-Ft. Worth scored three runs in the first and four in the second to wrap up its game early against the 8ers. Joe Christian

drove in three of the Texas runs with two doubles and a single. Teammate George Banks went 4-for-5, including his fourth home run.

George Williams hit a solo home run for Oklahoma City and Catcher Hal Smith added a two-run circuit smash with two out in the ninth.

San Francisco catcher Ed Bailey hit two homers and Matty Alou and Orlando Cepeda added solo smashes in the Giants easy win over Tacoma.

Jim Duffalo, a former Tacoma pitcher, allowed the little Giants only four hits in the eight innings he worked.

A single by Jack Davis, Felix Maldonado's double and a fielder's choice scored Tacoma's only run in the third.

YOUR MERC DEALER WILL HELP YOU ANGLE FOR A NEW FISHING MOTOR

Your Mercury outboard dealer will arm you with facts about the new Merc fishing motors... information that you may need to convince your wife (or yourself) that you've just got to have one. Maybe your old banger is shearing pins. Mercs have no shear pins. They have a live-rubber safety clutch instead. Maybe you can't troll with your old motor because it idles badly and fouls plugs. Fishing Mercs have tilted powerheads that eliminate fuel "puddling" and fixed-jet carburetors that keep the mixture right. There are lots of good reasons why you should have a new Merc. They start easy. They go through weeds and shallows without heating up. They have full gearshift.

If you don't have an outboard... all the more reason to buy a new Merc. It will take you off the dock and back where the fish are hiding.

VISIT YOUR MERCURY DEALER. There's a good chance that you'll get a new Merc 60... 8 hp, Merc 110... 9.8 hp, or a new Merc 200... 20 hp. MERCs are very light and easy to carry home.
