Lumber situation being watched with interest

Special to The Bulletin
PRINEVILLE — The labor situation in the fir industry, culminating this week in strikes, is being watched with interest by management of the Ochoco Lumber Co. in Prineville, according to a spokesman for the firm.
The Ochoco mill is the only one of the five major mills in the Prineville area that is unionized. Other mills are "open shop," a survey shows. Workers at the Ochoco mill are members of Local No. 3-200, IWA, with George Gardiner as president. Stuart Sheik is manager of the Ochoco Lumber company.
There have been no new developments at the Ochoco mill in the labor situation since a meeting on May 24 between mill management, representatives of Region 3, IWO-CIO and the negotiation committee of the Prineville local. The situation is currently quiet, a spokesman stated.
It is impossible at this time to predict future developments at Ochoco, in the labor situation, it was stated.
The Ochoco mill is not affiliated with any negotiating group, it was pointed out, and is in a somewhat independent position comparable to some other pine mills of eastern Oregon.

Bottlers tieup settled Friday

PORTLAND (UPI) — A strike which threatened to leave stores here without any soft drinks was settled Friday night.
Members of Local 162 of the Teamsters Union voted to accept a three-year contract offered by the Portland Bottlers of Carbonated Beverages Association.
The vote was 99 to 83. The pact was offered to the union Thursday.
The settlement came as supplies of soft drinks were reported dwindling in the Portland area.
The union went on strike May 28 and placed pickets at seven Portland area bottling plants. The plants were closed. About 330 persons were affected. More than 300 are in the union.
The plants were expected to resume operations today. However, deliveries to stores will not be resumed until Monday.

Limit on FBI term approved

WASHINGTON (UPI) — The Senate Judiciary Committee, looking beyond the eventual retirement of J. Edgar Hoover, voted Thursday to limit the next director of the Federal Bureau of Investigation to a term of 15 years.
The committee also approved without dissent some other plans for the day Hoover leaves the office he has occupied for 39 years.
If Congress approves, the next FBI director will be appointed by the president and confirmed by the Senate, and will not be eligible for reappointment after he completes the initial 15-year term.
The committee voted to keep the FBI director's salary at the present level of \$22,000 a year.
The bill was introduced by Senate Republican Leader Everett M. Dirksen, Ill., and seconded within the committee by Sen. Thomas J. Dodd, D-Conn.
The Republican leader said he introduced the bill after discovering there was no law requiring presidential appointment or Senate confirmation of the FBI chief.
